Believer's Awards

This year we will be recognizing the “Believers” award winners. These are outstanding people who have done outstanding things. What I need from you is when someone does something outstanding or does something that you feel needs to be recognized, please submit their name and what they have done & they will be recognized. Their outstanding efforts do not have to be only sorority related. They can be anything they have done that is outstanding in their workplace or in their community.
