EPSILON SIGMA ALPHA

Spring Conference was March 12 in Danville, IN and was basketball themed. We had so much fun with a great turn out. We did Zumba led by Sue Bigler and Kelly Hansan (Eta Pi, Fishers members), played heads or tails basketball trivia, and had all representatives from Anna's Celebration of Life, Camp Riley, and Easter Seals speak.

Eta Pi is busy at work planning the 80th State Convention. The registration form and hotel info can be found on our ISC website. We will be keeping everyone up-to-date with some fun costume ideas on the Facebook event page. We want this year to be super fun with everyone attempting to dress to each individual theme (each meeting will be a different sport theme). We are working on getting guest speakers and a physical activity planned.

State Convention, Indianapolis

July 26-31, 2022

IC Convention, Indianapolis

Second Vice President Cindy Norman

Hello everyone! I can't believe we are at the end of our ESA year. Both Camp Riley and Anna's Celebration of Life (ACOL) will continue to be our State Projects next year. So far this year we have sent 13 gifts to ACOL kids waiting for their gifts from Anna's. I hope all chapters have talked about the next project for Camp Riley to allow for a strong discussion at convention. We will have a Camp Riley Day with campers present this year. Stay tuned for more information. Please send all philanthropic information to me by May 15, 2022. You can find the form is on the website. I hope everyone has a great spring and I will see you at State Convention!

Junior Past President Brenda Campbell

Hello all! I just want to remind you about a few things. Please remember the Disaster Fund when you plan your chapters' year-end giving.

Member of the Year forms were provided to chapters in their packet at Spring Conference. Please remember to update your rosters. Forms can be found on the website and are due by May 15th.

Please, if you haven't, already, sign up to volunteer at the IC Convention. It doesn't have to be a huge commitment. Just a time slot or two will help a lot. If you have any questions at all about a volunteer position, please just reach out and ask. We would also love for you to join us at the MARC Convention in Tulsa, OK in October. It's a great time to see new sights, visit old and new friends, and support Alley Gary, running for Parliamentarian.

I hope to see everyone at the State Convention in June.

Let's CeLeBrAtE another great ESA year!

Treasurer Wendy Hahn

FINAL REMINDER: All Disaster Fund, Camp Riley, and Anna's Celebration of Life donations that are made out to ISC-ESA are due to me by May 15th. If you are mailing me this information, the post-mark must be by May 15th. Checks made out the charity can be sent directly to the charity. Don't forget to record your donations on your philanthropic report. Please let me know if you have any questions!

Chaplain Jan Lantz

Spring is here and State Convention is just a few weeks away! Looking forward to seeing everyone and wrapping up "ESA Sports". This has been a fun adventure.

Is spring your time to reset and get your body back in motion? A few tips:

- Set your goals, big or small - celebrate and reward those achievements
- Increase your minimal time each day or week – what fits your program
- Stay consistent
- A body in motion stays in motion, while a body at rest tends to stay at rest
-

Reminder – May 15th is the DEADLINE to submit the forms for State Convention. All forms are located on the website. Please submit via e-mail or mailing to me at the address listed on the forms.

Celebration of Love/Life Well Lived should have pictures included when submitting or let me know they will be following.

Corresponding Secretary Megan Gray

Hello Indiana ESA! I have enjoyed serving alongside Alley this year and if you've yet to hear the news, I will be doing the same for Jennifer next year. It is truly an honor to serve in this position.

If we missed your chapter at Spring Conference, chapter packets were mailed to your president. As a reminder any email blast requests need to be emailed to me with all information to be included in the blast. Blast emails are only sent out on the 1st and the 15th of the month, except for the LAMP send out dates. No blasts will be sent the same day as a LAMP.

I hope your chapters are enjoying the end of the year rush and I look forward to seeing you all at State Convention in June and IC Convention in July.

Easterseals Coordinator Lyndsey Beal

As the end of the ESA year comes to a close I am pleased to announce that we have raised \$1,094.37 for Easter Seals! From selling wreaths to Easter eggs, there have been great efforts put in this year to raise money. I am so proud to belong to this organization. Robert and I will be the Collegiate Coordinators next year and hope to bring ESA joy to different colleges. Thank you all for the time and effort that you put into making this happen. I am excited to see everyone at the state convention and can't wait to see what next year holds.

Awards Chair Robert Beal

I hope everyone has had a great time this year in ESA! I know that this is a year I won't forget, as a first-time state board member and joining ESA Chi Omicron, I can't wait to see how the end of the year will go! I just want to say thanks to everyone who has been a help to me. I hope that next year will be just as great as this year.

ESA for St. Jude
Senior Coordinator: Stephanie Moore

Happy Spring! So far, we have raised \$136 for St. Jude at conferences and \$74.85 with Giving Bean! Thank you to everyone who contributed!

Let's continue raising funds for the St. Jude \$50 for 50 Fundraising Challenge! Don't hesitate to reach out if you would like some fundraising ideas for this! As you continue to hold your events, fill out your forms and send in your monies! May 15th is approaching quickly!

Please remember, the St. Jude Memphis Marathon is December 3, 2022. Participants who fundraise at least \$250 for St. Jude while training for any St. Jude Memphis Marathon Weekend race earn the title of St. Jude Hero. St. Jude Heroes registration is open May 2-31, 2022.

If you haven't already, make sure to go to www.stjude.org/volunteer to get your own VMS account!

Scrapbook Chair
Serena Williams

Hi friends! I've received many images to include in Alley's "scrapbook" but please keep sending them!

Please remember, I am collecting images of ESA events. Big or small chapter gatherings. I want it all! My email address is serenaserak@att.net or if you prefer to mail you can send to 6424 Trotter Road, Indianapolis 46241. Thank you so very much for your continued help in assisting with Alley's "scrapbook."

ESA for St. Jude
Junior Coordinator: Sue Bigler

As we near the end of our ESA year, I'd like to thank all of you for your Indiana contributions to the 50 for \$50 Challenge for St. Jude. You have been awesome! If you haven't already done so, please let Stephanie or me know about your projects. The contributions will continue through the end of the calendar year in December, so keep them coming! Wouldn't it be great if Indiana could celebrate a win at IC Convention in 2023! There will be a basket at our Indiana State Convention for smaller donations, every little bit helps, or you can contact me so we can pool our funds.

The St. Jude Walk/Run this year will be held on Saturday, September 24, 2022 in White River State Park, Celebration Plaza. You can sign up online at St. Jude Walk/Run- Indianapolis for In Person, Virtual, Fundraising, and Volunteer under our team name Indiana ESA. Hope to see many of you there!

Congratulations on a very successful ESA year supporting St. Jude!

Association of the Arts Chair
Roseann Gary

Fresh home from our Spring Conference, I'm so excited to report that I have five, yes, five entry forms for State Convention. I know that many of you are just waiting until a bit closer (May 15 deadline) to be sure you want to commit. Please don't wait. From talking with past AA chairpersons, there is a lot of paperwork to be completed and ready for the day of judging. So, with that in mind, please get your entry forms, printed, completed, and mailed to me sooner than later.

Collegiate Coordinator Kary Lasley

In March Phi Alpha hosted a very fun alumni day at BSU. During the event we made cards for St Jude's and later that evening we had a mixer where current members and alumni got to know each other. It was a day of bonding.

The end of the school year is quickly approaching for Phi Alpha. Many of their members will be graduating. I'm excited for their future endeavors and hope they continue their ESA journey in traditional chapters.

On April 30 I will be hosting an end-of-the-year party for Phi Alpha at BSU. Everyone is welcome to join us. We are meeting at the L.A. Pittenger Student Center (2000 W. University Ave, Muncie, IN) at 6 PM where we will do a philanthropic event and a social event. Please reach out to me if you're interested in attending.

Lamp Editor Elaine Weller

I believe we can all look back on an extremely productive and exciting 2021-2022 year. I want to thank each member for continuing to impact our communities.

Each edition of The Lamp truly shows the magnitude of what we do as individuals and as an ESA unit. I hope you all have enjoyed learning more about each other's work through this publication. I personally want to thank Jenni Russ for her hard work of proof-reading each issue, and for being a personal support for my ability to get these publications out to you on time.

Thank You!

Webmaster Courtney Ginder

Hello, Indiana ESA!

What a great year we've had! I have really been enjoying growing our social media presence and getting the word out about how amazing Indiana ESA is!

From March 11 to April 7, our Facebook reach is up to 2800 people reached (up 16.7% over the previous 28 days), and our Instagram reach is up to 107 people (which is up 25.9% over the previous 28 days). We currently have 200 Facebook Likes and 59 Instagram followers and growing every week!

This is really important for us, because it means what we do is reaching so many people! These are people that may decide to attend an event, or donate to a fundraiser, or even join! Social media is an incredible marketing power that we can leverage, and I hope you'll continue to help me by sending me your events, liking and sharing page posts, and answering my questions in our group, like what you love about ESA or your favorite philanthropy.

ESA Foundation Chair Mary Brewer

Greetings and Happy Spring across Indiana ESA!

Membership:

ESAF recently received several Life Active Memberships for the Foundation. Life Active Memberships are \$500 or two payments of \$250 and the earnings from the fund supports the Grant program. If your chapter is looking to distribute some philanthropic funds, consider becoming life active and not having to remember to pay annual dues.

Voting:

Foundation voting will continue to be conducted online from May 16- 23. The candidates are listed in the Foundation's Spring Membership newsletter. If you do not have this information, please send me an email and I will get this to you.

Ballots will be sent to the email addresses on file for our members. For chapters and councils, the ballots will be sent to the email addresses of the Presidents listed for those entities. Please be sure your email addresses and chapter/council rosters are accurate in MemberSuite. Members can update their information in MemberSuite or can contact ESA Headquarters to update their information.

Foundation Fund Fest:

The Foundation Fund Fest will be held on Tuesday night, July 26, as the kick-off for the Convention. Sandy Hosack, FFF Chairman, is planning a fun-filled evening with games and prizes, along with silent and oral auction items. Indiana will have a basket and the theme is Back Home Again in Indiana. Chapters and Indiana ESA members are asked to bring their basket items to the State Convention in June.

Additionally, the committee is also planning to have a wine/spirits pull. This will be a standard silent auction as well, although it is planned to be smaller than past years with a larger focus on the games, auction, wine/spirits pull, and an exclusive item that will only be offered at the Fund Fest. Watch for more details regarding the Fund Fest in the upcoming ESAF Membership Newsletter.

Please contact Sandy Hosack, FFF Chairman, at esaffundfest@gmail.com with questions. Are you a member and interested in volunteering at this event? Please reach out to Sandy directly.

ESA Foundation Annual Meeting:

The ESA Foundation Annual Membership Meeting will be held on WEDNESDAY, July 27 from 1:30 to 3:00 pm. The meeting will be in person at the IC Convention hotel.

Turnaround Funds:

As we near the end of the chapter year and philanthropic events wrap up, please consider using the Turnaround Fund for the disbursing of your chapter funds. This is an easy way to support the Foundation. The Turnaround Funds donation form is now a separate form that is available on the contribution page of the ESAF website. Looking forward to seeing everyone at the State Convention in June and IC in July!

MARC Representatives Jaycee Peak and Laura Campbell

On March 5, 2022, the MARC Executive Board met in Tulsa, OK for their Mid-Year Meeting. Any questions regarding the MARC information provided, please do not hesitate to contact us.

Past Indiana Presidents

We hope everyone has had a great year! We are looking forward to seeing all of you at State Convention in June! In addition to attending state conference, our hope is that many of you will be able to attend IC Convention in July. IC is an experience everyone should have at least once.

The PIPS are getting ready to work on the Centerpieces for the PICPA luncheon. We also encourage those who can to volunteer to help wherever you can! We want all to go away and say .

"what a GREAT job Indiana did hosting the IC Convention!". Congratulations to Ally and her Board for a super year! You Hit it Out of the Park, Scored a Touchdown and got a Slam Dunk!

Share the Love and Friendship we have in ESA.

Chi Omicron, Avon

Chi Omicron Thoroughly enjoyed pairing up with Zeta Eta to host this year's Spring Conference. We hope you enjoyed all the ESA Madness! We are wrapping up our year, as I am sure all of you are as well. We have loved celebrating

Alley's theme throughout the year within our chapter. We are so looking forward to seeing you all at State Convention and IC convention!

Delta Delta, Seymour

This year, Delta Delta, Seymour celebrated "Color Your World with ESA" with officers President Stacey Brummett, Vice President Pam Vogel, Secretary Julia Aker, and Treasurer Kara Abraham.

Over the past year, Stacey, Julia, and Dee Hess attended the State Convention and were excited to receive recognition for Stacey's membership growth and the chapter's philanthropic efforts last year despite COVID. Congratulations to Past State President Susan Waltz on her appointment to the state counseling committee and her election for Chairman of the Past Indiana Presidents Auxiliary.

Pam attended Camp Riley Day last summer, fall and spring conferences, and the Riley maple syrup fundraiser this spring. Pam, Julia, and Susan attended the IC Convention in Louisville and are excited to host the Opening Ceremony in Indianapolis this July.

Philanthropic projects this year included serving lunch at the Nick Personett Memorial Golf Scramble to benefit Camp Riley on July 11, two different craft days, Ronald McDonald House donations, and record mum sales and hopefully great geranium sales. Even though they held Seymour Oktoberfest, we chose not to do our annual \$999 raffle.

Looking forward to the State Convention and hosting the IC Convention for the first time in 20 years. Hope to see you there!

Eta Pi, Fishers

Eta Pi Fishers had a terrific time at the 2022 Spring Conference ESA Madness in Danville. Thanks to Chi Omicron and Zeta Eta for organizing a fun day of friendship!

Eta Pi Fishers has had a busy start to 2022! Our Easter Eggs for Easterseals was another success. We sold twice as many eggs this year than last year! Thank you to all who supported our event. Eta Pi helped the Easter bunny by stuffing plastic eggs with stickers, trinkets and chocolate. We sold over 1,300 eggs and raised \$690 for Easterseals Crossroads!

Last year, we held our Mystery Dinner virtually, but this year it was held in person on April 2. For \$30, attendees enjoyed a night with friends, solving an April Fools Murder Mystery and eating a four-course dinner at the Cardinal Room at the Golf Club of Indiana. Thanks to all of the ESA members who came out to support our event. You helped Eta Pi raise \$386.46 for Anna's Circle of Life!

Eta Pi is always looking for new members. In March, we welcomed Terri Wada to Eta Pi and she is already jumping in to support our annual golf outing! We also hosted a "Get to Know ESA" event on April 9, to introduce ESA to potential members.

We look forward to seeing all of you at the Indiana State Convention. We can't wait to celebrate our President and Eta Pi sister Alley Gary's great year and rejoice in all the money raised by chapters across Indiana and we are excited to see our own Jennifer Skinner get installed as our next State President. See you in June!

Beta Phi, Rockville

Beta Phi, Rockville wishes you

By the time you read this our annual Bunny Breakfast will be over, and we will be gearing up for our Car Show in July. We hope to see you all at State Convention in June!

Delta Sigma, Evansville

We finally got to celebrate Christmas in March! We are gearing up to have another yard sale this month. We are looking forward to attending State Convention and IC Convention in July. It has been a long time since we have been able to see everyone. May we all continue to share the bond we have through ESA and continue to do the wonderful work we do for others, especially the kids!

Alpha Delta, Pleasant Township

Alpha Delta congratulates and thanks Chi Omicron, Zeta Eta and the ISC Board for a great Spring Conference, lots of fun and learning.

We have been busy working to make the upcoming IC Convention Welcome Party a fun night for all as we celebrate the accomplishments and Race to the Milestones of ESA. We hope your engines are revving as you will want to take your Pit Pass to all the games to cross the finish line and kiss the bricks.

In March, Alpha Delta held a Battle of the Bakeries. We compared 5 different donut types from 6 different bakeries, definitely sugar overload, but so yummo! The overwhelming winner was Nana's Daylight Donuts in Greenwood.

We are continuing to learn about essential oils from our educational director, Cindy Clossey. We recently learned face washing tips along with mistakes to avoid and made our own makeup remover wipes using witch hazel, coconut oil, distilled water and tea tree oil.

We look forward to seeing everyone at State Convention!

Members Terry Fowler, Cindy Clossey and Libby Maxey Donut Tasting

Delta Zeta, Terre Haute

Happy SPRING to everyone from Zeta Eta!

Zeta Eta co-hosted the Spring Conference with Chi Omicron, Avon members March 12. We were very pleased to see many of our ESA members IN PERSON attending! Thank you and we look forward to seeing many of you at the State Convention in June!

In February Zeta Eta held a social event at the U Paint Pottery in Greenwood. Those members that attended the event were Becky Allen, Becca Barbour and son Chase, Melissa Peak and sons Garrett and Koltyn, and Jaycee Peak. Everyone had a wonderful time and created at 2 projects. ,

Everyone take care, wishing you a Happy Mother's Day and awesome Spring!

As the chapter year begins to come to a close, we are so thankful for the return to in-person meetings and fundraising events. Lynn Howley has led us in being “Flamazing for ESA” and we’ve welcomed new members, have learned and tried new things, and had success and fun along the way. Our Reverse Raffle raised more than \$10,000 for Camp Riley and we appreciate all who supported this annual event. Next year will be our 40th year to host this event so we hope you’ll plan now to join the celebration!

All year, Educational Director Judy Flannery has helped us prepare for hosting International Council convention, both directly and indirectly. As many of us prepare to host or attend IC convention for the first time, it has been helpful to learn more about our city’s history and current attractions as well as the history of IC Convention and what to expect. We’ve learned from chapter veterans about conventions past and the early years of ESA’s support of St. Jude, including the role of PIP Judy Lester in that relationship. We learned about May Wright Sewell, a trailblazer and suffragette and about the suffragette movement in Indiana. While we won’t be charged with setting the banquet tables, we did learn how to set a proper formal table and which fork is for what purpose! If you want to know the best spots for shopping small business, we are in-the-know, and we can also tell you about the variety of activities that make up celebrating the month of May in Indianapolis – it’s more than just the Indy500! We will soon be learning more about what to expect as attendees and hosts for IC Convention. There certainly is still a lot of work ahead, but we are feeling better prepared thanks to Judy’s programs.

Our March social was Fowling (rhymes with bowling). Teams position themselves a little like they do for cornhole but instead of beanbags, they are throwing a football, and instead of aiming for the hole on the board, they are aiming for bowling pins set up on a level platform. Those who attended said it was difficult but fun and Denise Hagerty even scored a Bonk, which is when the first throw of the game knocks the red center pin completely off the board, leaving all the other pins. This is such a tricky throw that it results in an immediate win AND the player gets to put their name on the official Bonk Board and blow the horn. It sure did make for a fun evening! If this sounds fun to you, it could make a great outing the next time you’re in Indianapolis! Search for fowling warehouse Indianapolis on the web.

April brought a return to hosting Purse Bingo to benefit Anna’s Celebration of Life. We had a sold out event of 300 and raised \$11,000 for Anna’s Celebration of Life! We also hosted our Get Your Craft On event which supports chapter ways and means. Several craft-related vendors were on hand to help our crafters with supplies and our guests worked on everything from card-making and scrapbooking to fabric crafts. While our guests were crafting, we were busy preparing bows for the IC Saturday banquet centerpieces.

We are looking forward to all the year-end celebrations and seeing our ESA family at State and IC Convention!

Now is the time for EVERYONE to consider submitting an entry or entries at the IC Convention in Indianapolis too! If you are not able to attend the IC Convention, you can still enter and send your entry with your chapter ESA member. A copy of the Association of the Arts Entry Form is available on the IC Convention website: <https://www.epsilonsigmaalpha.org/member-center/chapter/council-mgt/international-council/IC-Convention>

Come on ESA members...this is easy to do! You can DO IT! Put your thinking caps on, browse Pinterest, Etsy, etc. and/or Google the web for many interesting ideas that YOU CAN MAKE and CREATE to enter. Time is narrowing down to the deadline date (June 15th) and it is time to start your creations! EVERYONE can create even from a template or pattern, there are many kits available to get you started too!
