Brenda Meyers, IC 2nd Vice President, brought greetings from IC President Robin and the IC board. I have really been looking forward to this weekend. I have some pretty special memories in Indiana. I attended my first IC Challenge here during my pledge year and it was the one and only time I could talk with Danny Thomas! When I was MARC President Indiana was the host. Rozanne Robertson and Deana Walters were the conference chairman. We made a great team and that is where I met Denise Hagerty – she did a recycle workshop. Who knew then that we would be working together this year to host the 75th Annual IC Convention in conjunction with the 50th Anniversary of our partnership with St. Jude!

Brenda encouraged the membership to participate in the “\$50 for 50” St. Jude project and use the Completed Event Form with the line item to mark your event as 50/\$50.

The 50th Year Celebration is a wonderful membership tool. There are promotional tools, social media tools and event kits on these pages as well to help you get the word out about your event. Among your members, practice TALKING ESA at your events. Ask each person to create a “Proud 50th Year” quick speech – WHY St. Jude and WHY ESA. Be confident that people WANT what we have. Make the St. Jude ASK Make the ESA ASK. The “What’s Next” example flier is on the website, you can customize, print, and take to EVERYTHING you do where you will be mingling with non-members. Try the QR cards. There are promotional tools, social media tools and event kits on these pages as well to help you get the word out about your event
