

The Lamp

Cindy Norman, president

Hello everyone!!

Can you believe it is the start of another ESA year!! I am very honored to be serving as your State President this year. I want to first say a big thank you to BJ Voll and Wendy Yaste for my beautiful installation, and to Eta Pi for hosting a great convention. In case someone doesn't know who I am, I have been a member of Beta Phi, Rockville for 31 years and have served on the board for the past 10 years. I have served in just about all offices either in my chapter or on the board. I attended IC Convention in Grapevine, Texas last week. Texas did a wonderful job hosting. My head is still spinning from all the information I received. This year IC President Brenda Meyers wants us to "Connect through ESA", sharing your ESA story to gain new members and stay connected to the members we have. Headquarters new campaign is "The Power of Us", a 3 phase project including Education, Service and Association, this is something we all do we just need to take it up a notch. I will have more information at Fall Conference and you can find it on the IC website.

I have a great board this year and I know we are going to "Spread Kindness like Wildflowers". I hope to see all of you at Fall Conference on September 16, 2023 at the Rockville Elks Lodge in Rockville, IN.

Love and Kindness,

Cindy

First VP, Kary Soto

Hello Everyone!

Headquarters has declared October as recruitment Month! Every Chapter should host an event in October to assist with recruitment.

I am looking to begin filling my board for the 2024-2025 year. If your interested in being on the board please let me know. I also am looking for chapters to host the Fall 2024 and Spring 2025 Conferences.

I can't wait to see everyone at Fall Conference!

Kary Soto

"Be kind whenever possible.. It is always possible."

2nd VP, Jennifer Morris

Hey there! I am Jennifer Morris. I am a member of Gamma Pi Chapter, Indianapolis. I have 2 children – Samuel and Hannah. Samuel is a sophomore at Ball State University studying Telecommunications. Samuel plays the trumpet in the Ball State University Pride of Mid-America Marching Band and the Pep Band. Hannah is a sophomore at Roncalli High School where she is a Varsity Cheerleader. Mac is our dog. He is a 3-year-old German Shepherd/Rottweiler mix and currently on a diet.

I am very excited to be serving as the Indiana State Council 2nd Vice President. I would love if you had the time and think to invite me to your philanthropic projects. I will try to make it to as many events as I can. Please plan to stop by my Ways and Means table at Fall Conference. We can exchange a treat for some a piece of chapter information.

Anna's Celebration of Life has the following events coming up:

September 9 – Anna's Ride – Beech Grove Eagles – 712 Main Street Beech Grove. Volunteers are not needed for this event. You are welcome to attend, have fun and participate in the event.

December 2 - Rock the Night for Special Needs – The Atrium Banquet and Conference Center, Indianapolis. Volunteers will be needed for this event. More details to come. Mark your calendar.

March 15, 2024 – St. Patrick's Day Parade – downtown Indianapolis. Mark your calendars. Volunteers will be needed to walk in the parade. Volunteers will be needed to work this event.

June 8, 2024—Pulling for Kids Clay Target Shoot—Indiana Gun Club. Mark your calendars. Volunteers will be needed to work this event.

We are bringing back the opportunity to send a gift to the families of children who are waiting for their gift to arrive. Please contact me at jbshmorris@gmail.com if you individually or your chapter is interested in participating in this project.

I will have an exciting opportunity with Anna's Celebration of Life to share with all of you at Fall Conference. I hope to see many of you then.

Camp Riley information:

I met with Melissa Sexton with the Riley Children's Foundation in August.

Melissa shared with me that Camp Riley was held at full capacity this summer. Melissa and I are working on a date for ESA members to come to Bradford Woods to see Camp Riley, including the fishing dock. If you would like for Melissa to come to a chapter meeting to share Camp Riley information or if you want to invite Melissa to attend an event you are hosting to benefit Camp Riley please contact her at msexton@rileykids.org. We will discuss a state project at Camp Riley during Fall Conference.

I hope to see many of you at Fall Conference, especially those chapter members who I have not seen at a state meeting in a while. You are missed!

With much ESA love and kindness,

Jennifer Morris
jbshmorris@gmail.com

Treasurer, Jenn Balkema

Hi! I am super excited to once again have the office of treasurer on the ISC board. I have been a member of ESA for over 20 years and have held various positions between both my chapter and the ISC Board. I live in Fort Wayne and am part of the Alpha Zeta Chapter. My son, Landry, will be 10 at the end of August and I swear I was just pregnant yesterday, lol. Where does the time go?!? I recently built a new house, started a new job and am dating a special someone after my divorce, so a lot of NEW things are happening in my life. ESA is one the favorite parts of my life and it has been one of the consistent bright spots over the years for SO many reasons. I am so happy to be serving under Cindy so that I can Spread Kindness like Wildflowers!

Don't forget –

*ISC Dues must be postmarked by December 31st, 2023. The form for IC dues as well as the form for ISC dues are on the Indiana ESA website.

*Also on the Indiana ESA website is the form to complete for Tax Facts. This is due by September 15th – that updated form will also soon be on the Indiana website. Every chapter must submit this to ESA HQ every year!

All of my other forms will soon be up and ready to go – Head to the website if you need a reimbursement from the state, you need to complete the post-conference report, you need to make a donation to the state projects or you need to find the super-duper important dues and tax facts forms.

Hope you all had a great summer! Until the next time, I will leave you with this quote-

“Wildflowers are the loveliest of all because they grow in uncultivated soil, in those hard, rugged places where no one expects them to flourish.” – Micheline Ryckman

Recording Secretary—Amanda Zhaorsky

Greetings!

I would like to start by saying I am honored to serve as the 2023-2024 Indiana State Board recording secretary. I have been in ESA for 10 years now, first joining during my time at Ball State University as a member of Phi Alpha between the years of 2006 and 2010. After a small hiatus I reconnected with some Phi Alpha alums in Fishers, Indiana and joined Eta Pi. During my time in Eta Pi I have held a few positions, including corresponding and recording secretary which I have held since the start of the 2020 ESA year.

I am a full-time working, single mother to my beautiful and courageous daughter Amelia. Amelia keeps me busy with her many extracurricular activities. Some activities we love to do together are playing volleyball and being involved in our Girl Scout troop, where I am the troop leader. Have I said that I like to volunteer my time? I very much like giving back to the communities that I am tied to. In addition to being a Girl Scout leader and youth volleyball coach at Amelia's school, I also volunteer my time with Amelia's school's PTO. I am the coordinator of a used uniform sale that provides gently used uniforms at a fraction

of the cost to all school families. I would not be able to be as involved in any of these organizations that I serve without the daily help of my mother. My mother, Teresa, lives with Amelia and me and always supports my volunteerism. Besides being a great support to me, it brings me great joy seeing Amelia and my mother interact daily and I am thankful that I get to experience the journey of parenting alongside the one that raised me. When I am not volunteering, I like to spend my free time reading and binge-watching television series. As the summer starts winding down and we approach the start of the school-year, I can't help but start thinking about new beginnings! It is time to start anew, and I always love the positive energy that a new year seems to offer. This is exactly how I am feeling about this ESA year. I am hopeful and extremely excited to spread kindness like wildflowers together! I hope to see you all at Fall conference and I can't wait to meet everyone and learn more about all the wonderful people that make this organization so special!

Parliamentarian, Vivian Greeson

Hello everyone, I hope everyone had a great summer. School starts for me August 2nd, I am a Lunch Lady at Franklin Community Middle School.

I have been in ESA 49 years, and just recently transferred to Gammi Pi Indianapolis. I have been married for 38 years to my husband Floyd, have one daughter Makayla, 1 dog, 3 cats and live in my Mom's house in Franklin.

As your State Parliamentarian, it is my job to ask the chapters to renew the Indiana State Council By-Laws as well as you chapter By-laws, if you have any changes, please send them my way. The forms should be on the Indiana ESA website,. The Deadline for the State By-laws is December 31st,

I love to read, do cross word puzzles, collecting cats and pigs, love to travel, go on rides and walk thru cemeteries, and shop, shop, shop, and in September will attend my 55th High school reunion, Hope everyone has a great year.

“Unexpected kindness is the most powerful, least costly, and most underrated agent of human change.”

Educational Director, Alley Gary

I am an 11-year life active member in Eta Pi, Fishers. I want to congratulate the new 2023-2024 ISC Board. I am excited to Spread Kindness like Wildflowers!

My goal this year is to share more about ESA by presenting an educational at each state meeting. Some topics that have already been requested: proper pin wearing, how to get involved on different boards throughout ESA, how to use social media platforms to promote ESA membership and events, and how to complete the digital forms. If you have a topic that you would like to learn more about, please let me know. I can do mini zoom sessions throughout the year as well.

Fun fact- it is officially September, the countdown for Alabama football is over. I am on my way to the Bryant-Denny Stadium to see my first home game in Tuscaloosa, AL #RollTide

Please reach out if you have any questions, I am always here to help! -

Alley Gary

Corresponding Secretary, Elaine Chaney

Hello, my fellow ESA members! I am Elaine Chaney, and I am honored to be chosen as Cindy's right-hand lady. I have been a member of Gamma Pi, Indy for seven years. I joined ESA during a time in my life when I needed to see thriving and strong women taking up space in the world. ESA has been a place for my personal growth, along with building friendships across the state. As you know, Cindy's theme of "Spread Kindness Like Wildflowers" directly reflects her soul, and I look forward to learning all the ways our chapters fulfill her mission.

Awards Chair, Mary Brewer

Greetings Across Indiana ESA!

I am excited to be your Awards Chairperson for the current chapter year! This is my 13th year with ESA and I am a member of the Gamma Pi Chapter in Indianapolis. One of the reasons I remain in ESA is the love and support of our members to each other. Who stands beside you during good times and not so good times really does make a difference. A kind word, note, email, support of other chapter events, all goes a long way as we go through the different seasons of life!

As we kickoff the year and spread kindness like wildflowers, I wanted to provide a quick overview of the Awards Chair duties. While award activity concludes at the State Convention in June 2024, chapters and members are busy throughout the year doing the hard work. Award entries are due May 15, with one exception, the Outstanding Youth award, which is due April 1:

"What ESA Means to Me" Essays
Outstanding Pledge
Outstanding Chapter
Outstanding Youth

Association of the Arts, Cyndi Murphy

Chaplain, Maddie Kerr

Hello and Happy Summer!

For those of you that don't know me, I am Maddie Kerr from Chi Omicron, Avon. I joined ESA's Phi Alpha Chapter when I was at Ball State. I took a break from ESA after graduating, started my teaching career, switched careers, and got married. I have a wonderful husband, named Andrew, a miniature poodle, named Aladdin, and two step kids, Ben (17) and Elizabeth (21). Both kids are busy with academics and extracurriculars, so we cherish the moments we have with them.

Andrew and I are active members at Our Shepherd Lutheran Church in Avon, IN. We volunteer once a month with the youth group. It is so inspiring to be surrounded by youth who ask deep questions, some of which have difficult answers. Andrew and I are both listening to the Bible over the span of this year, something I have never done.

When I'm not working, I practice karate twice a week. I have been doing karate for 25 years and am a 4th degree black belt. Karate has been the thing that grounds me when I am stressed or anxious. It is a huge part of my life and I wouldn't be the person I am without it. The people I have met through karate are a lot like our ESA family, we have an instant connection.

2023 is a year I am challenging myself to go outside of my comfort zone. I have stepped up my involvement in ESA and at church. It is scary and isn't easy. I have seen this quote several times on social media, "Give yourself the grace you give to others." Do your best to remember this when times are hard. If you are anything like me, you expect a lot of yourself. As we spread kindness this year, remember to show yourself the same kindness and patience you are showing others. Life is hard enough as it is, so be kind to yourself and acknowledge the progress you are making each day.

ESA Love and Mine,

Maddie Kerr

Collegiate Coordinator, Monica Haddock

Hello Indiana! I am Monica Haddock and will be the collegiate coordinator this year. I started out my ESA as a Phi Alpha, Ball State member so I am excited to work with the collegians again. I have been in contact with the president for this year and they are looking forward to working on building funds and member numbers. They started classes this week and already have some rush activities planned and starting this week into September! Together we have a few ideas for some alumni and state gatherings and philanthropic happenings so be on the lookout for those opportunities this year! I do plan to visit them at least a couple of times this year and would love to have company. If anyone wants to join me for a visit please reach out.

ESA Foundation Counselor, Jenni Russ

Greetings Indiana ESA Family! I'm excited to be serving on the state council after a hiatus of several years. I've served in many roles in the past but this will be my first time serving as ESA Foundation (ESAF) counselor.

I've become more involved with ESAF over the past two years on the international level and am looking forward to sharing what I've learned and continue to learn with all of you! Over the next two years, I have the following goals:

- * educate membership about the programs supported by the Foundation and how ESAF is funded.
- * increase Foundation membership and donations to the Foundation (particularly to the general fund)
- promote the ESAF Scholarship Program to high school guidance counselors across the state and to our ESA collegiate members

Since I've been away from the board for a while, I'll share a little about myself for those who I may not have met. I'm a 30 year member of ESA, having joined while at Ball State (chirp chirp!). I'm a member of Gamma Pi, Indianapolis and past member of Eta Pi, Fishers and the now-disbanded Kappa Theta, Zionsville. I love being a part of ESA because it keeps me constantly learning new information and skills, gives me a variety of opportunities to serve others and support amazing organizations, and – of course - because I have made some of the most wonderful friends in ESA. My favorite event each year is the St. Jude Memphis Marathon Weekend where I raise funds to walk or run as a St. Jude Hero. Traveling there with my ESA sisters makes it even more memorable and fun! My favorite local project is the Hope for Heroes Winter Warm-Up collection our chapter does for Helping Veterans and Families (HVAF). I represent ESA in my community by volunteering once a week at a local elementary school, providing individual and small group support in literacy and math. I also volunteer weekly at Pike High School supporting their College & Career Resource Center by keeping the student scholarship search portal up to date and assisting with college and career fairs.

I have been married to my husband Joe for 27 years and we have a son who will soon turn 22 and who has just started his senior year of undergraduate studies at Augustana College in Illinois. As a family we enjoy playing games, traveling, hiking, and kayaking. On my own I enjoy walking/running, reading, and card-making. I won't be able to attend Fall Conference, but I do hope I'll get to see many of you – and make some new ESA friends – at other events this year. Please reach out to me if you have any questions or ideas about the ESA Foundation, would like me to visit your chapter, or just want to talk about *Ted Lasso*, podcasts, or books.

“How beautiful a day can be, when kindness touches it.” - George Elliston

Lamp Editor, Brenda Campbell

Hello all!

Just a note: If a member of your chapter would like a copy of The Lamp, mailed to them, they need to fill out the form that is attached so I have their current information. It is also on the website.

I look forward to a terrific year!

Brenda

MARC Reps, Sherrie Sutton and Mary Clark

The upcoming MARC Conference is October 13-15 at the North Peoria Embassy Suites. Deadline for registration is September 12. Please get with your members and bring gift cards to fill our Indiana purse. Make sure they are cards that can be used throughout the entire Midwest. We are requesting \$25 and up. If each chapter could bring a gift card to Rockville at Fall Conference September 16 we would have a full purse to raffle. Cash or checks can also be donated and Mary and I will purchase gift cards , If you prefer.

If you can't attend Fall Conference, please mail a check to: ESA MARC, Sherrie Sutton, 2479 Grace Drive, Terre Haute, IN 47802

Make check payable to Delta Zeta #3816 in the memo line write "MARC purse raffle".
Thanks all! Hope to see you at Fall Conference and MARC..

MARC Representatives,

Mary Clark and Sherrie Sutton

Senior St. Jude Coordinator, Laura Campbell
Junior St. Jude Coordinator, Megan Gray

Congratulations to Indiana for raising \$42,920 for St. Jude this past year! Thank you to everyone for donations and working or creating fundraising events. IC was an incredible experience and reminded me how much we can do to help.

The Indianapolis St Jude Walk/Run is September 30th this year. We need more people to sign up! Our team is Epsilon Sigma Alpha - Indiana. If you need help signing up don't hesitate to reach out to me! There are multiple ways to participate in this event: participate in the walk/run, volunteer, sign up virtually, or help with donations.

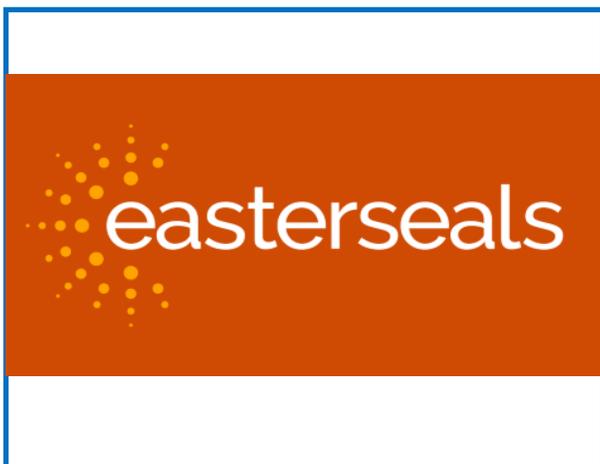

Thinking ahead to December, the Memphis Marathon is December 2nd this year. I will not be able to attend this year, but please feel free to reach out to me with any questions.

I look forward to this upcoming year and all the great things I will do with my ESA family!

Laura and Megan

"Practice random acts of Kindness and senseless acts of kindness."

EasterSeals Coordinator, Makayla Greeson

Hello all, My Name is Makayla Greeson, I am 28 years old. I am working 2 jobs; I am a lunch lady and I do after school care for Franklin Community Schools. I also just recently transferred to The Gammi Pi Chapter in Indianapolis. I am excited to be your Easter seals Coordinator. I can't wait to start getting more stuff for Easter seals. I'm so glad to be on the board again. I hope everyone had a good summer break; it doesn't seem like school should be starting already.

I am looking forward to a great year on board. Please feel free to ask me any questions. If you need any further information, please contact me at makylagreesson2014@gmail.com or 317-508-2829.

Makayla Greeson

Webmaster, Courtney Ginder

Hello, Indiana ESA!

I'm honored to serve again as your Webmaster for the 2023-2024 ESA year! I am a 9 year member of ESA and a member of the Eta Pi: Fishers chapter. I serve as Publicity Chair for my chapter and am also the IC Senior Webmaster! One of my favorite things about ESA is the lifelong, supportive friendships I have made through this organization. I honestly cannot imagine my life without my ESA sisters! I live in Fishers with my husband, daughter, and hopefully by the time you're reading this, newborn baby son!

I'm asking for a little grace and patience as I get the website updated; my pregnancy turned high-risk in the third trimester so I had a lot of doctor appointments on top of my regular jobs of mom-ing and working full-time, so things got pushed to the back burner a little bit. I am working on getting Google forms updated (with some usability feedback from last year!) and getting the website turned over to reflect Cindy's year as president.

If your chapter is having any events or fundraisers, please be sure to let me know so that I can post them to the state website and share them on our social media! I can't share what I don't know about.

I am looking forward to spreading kindness this year and sharing all the things that make Indiana ESA special!

ESA Love and Mine,

Jr. Past President, Jennifer Skinner

Thank you all for a wonderful 2022-2023 ESA year! I can't wait to see what we do this year! For those who may not know me, I am a 20-year member of ESA and current member of Eta Pi, Fishers. I joined as a collegiate member of Phi Alpha, Ball State. I am ready to bring you a fun year of supporting Hope for Heroes and our Disaster Fund.

<https://www.epsilonsigmaalpha.org/Heroes>

ESA's support for military personnel and their families began during World War II. After the war, ESA chapters were often organized near military bases and among military families whose membership assisted them in keeping connected as they moved to new assignments around the world. Much of ESA's early international growth was a result of military members forming new chapters as they moved to new bases. Hope for Heroes is specifically directed at providing membership support for military personnel and their families.

<https://epsilonsigmaalpha.org/member-center/chapter-management/international-council/disaster-fund>

The purpose of the ESA International Council Disaster Fund is to assist an ESA member whose home and/or personal belongings are destroyed or damaged extensively by one of nature's causes - fire, flood, tornado, etc. Assistance may also be given when a member incurs heavy financial responsibility due to a debilitating illness or accident.

Jennifer Skinner, Jr. Past President

"No act of kindness, no matter how small, is ever wasted."

Scrapbook Chair, Jaclyn Thomas

“How do we change the world?
One random act of kindness at a time.”
- Morgan Freeman

Delta Sigma, Evansville

Delta Sigma is going strong and building our sisterhood through social meetings each month. We are each living our best lives and thought we would share individual updates for this issue.

Marlene has recently reconnected with ladies she worked with over 20 years ago. They meet for lunch and enjoy sharing memories, fun times and lots of laughs.

Despite the years flying by, Kim is still young at heart and enjoys working and catering to her patients at the eye optical.

Ronda is recovering from a knee replacement surgery, but that hasn't stopped her from going back to work or being a proud mom of a bride to be. Her daughter, Jenna, is getting married in October and Ronda and Rusty couldn't be more proud.

Florence is feeling sentimental as the spring and summer holidays go by and school isn't far behind. Over 12+ years at her retail job has surprised her with so many connections to her various families and homes! Now and then, she sees her ESA sisters while working. That's a special treat! As the new school year approaches, Florence remembers her ESA sister Susan Roberts - a teacher and valued member of our chapter.

As for me, Aphrodite, the rollercoaster of life continues to loop around and soar up and down. I'm finally adjusting to my new life after an abrupt divorce, life changing surgery, stressful relocation to get back to my roots in Evansville last year, along with additional surgeries and an abrupt job change within the past few months. All things considered, I can't complain, and I'm very thankful for the support from my ESA sisters that kept in touch and reached out during such traumatic changes in my life. As a treat to myself, I'll be cruising to Mexico to learn how to make 3 authentic Mexican salsas, learn how to dance the Salsa, and tour some ancient Myan ruins at the end of August.

Our small group is very close-knit and we enjoy keeping in touch through group texts and monthly dinner meetings. We are evaluating potential volunteer opportunities for the upcoming year and looking forward to trying new things and keeping up with each other.

Cheers for the next ESA year!

Greetings from Gamma Pi Indianapolis!

Several chapter members attended State Convention and had a roaring great time! Thank you to Eta Pi for a wonderful state convention! Congratulations to Jennifer Skinner for your outstanding state president and congratulations and good luck to President Cindy Norman and the 2023-2024 state board officers!

Gamma Pi held our annual Awards Luncheon in the May and had Jenn Skinner as our honored guest. Several members received years of service awards and Pallas Athene degrees. Because of our chapter size and the number of amazing members we have, we had co-Members of the Year with Mary Brewer and Brandy Small. They each demonstrated greatly why they deserved to be Member of the Year.

Gamma Pi is being lead by President Denise Hagerty this year. Denise and the elected officers were installed at our June business meeting. After some down time, members have started planning for the 2023-2024 year and our fundraisers. Our fall brings the annual Mum sales, fall conference attendance and our annual Camp Riley Bowling Night. Plans are in the works for a variety of social outings and the upcoming Rush season.

Alpha Delta, Pleasant Township

- >
- > We'd like to congratulate Cindy Norman, our new State President and her board members and we look forward to Spreading Kindness Like Wildflowers.
- >
- > Alpha Delta has recently had our Chapter Officer Installations: President -Libby Maxey, VP & Recording Secretary-Karen Maxey, Treasurer & Parliamentarian-Cindy Clossey, and Educational Director and Junior Past President- Stephanie Moore. Karen and Cindy assisted in preparing meals, chopping vegetables, and serving food for the children at Bereman Camp as well as helping at Good News with a 6000+ piece mailing. At every chapter meeting, we try to do a philanthropic project. We are repackaging crayons that will be included with Bible story coloring books going to children all over Mexico. Our summer has also been filled with fun and social activities like going to watch the Naptown Roller Derby. We will be taking a class, learning how to create a stained glass suncatcher.

Eta Pi, Fishers

Hello, Indiana ESA!

Eta Pi has had a busy summer! Thank you to all of you who joined us at State Convention to celebrate our chapter sister Jennifer's great year showing us how to roar for ESA! We hope you all had a great time; we know we did! After convention, we installed our new 2023-2024 President Wendy Hahn and her board; her theme for the year is "ESA Can Change the World," based on the quote by Margaret Mead to "never doubt that a small group of thoughtful, committed citizens can change the world. Indeed, it is the only thing that ever has." We're excited to show how ESA can change the world this year! We also welcomed our new jewel pin members at our June meeting: Erin Becker, Megan Carpentier, Jennifer Lucero, and Jennifer Munkholm!

We've been keeping busy sorting and cleaning shoes at Changing Footprints, Walking for Dreams with Outreach Indianapolis, and planning our 12th annual Golf Outing benefiting St. Jude with the Fishers American Legion! It will take place on September 21, 2023 at the Ironwood Golf Club in Fishers, with an awards dinner and silent auction immediately following at the Fishers American Legion Post 470. Registration (\$125 for a single player, \$500 for a foursome) includes your round of golf, a cart, boxed lunch, beverages, dinner, and a lot of fun! We are always looking for golfers, sponsors, and volunteers! Contact Kelly Hansan for sponsorship information, Courtney Ginder for golfer registration, and Alley Gary for volunteer information.

Finally, we want to congratulate our very own Brenda Campbell on her election as International Council Parliamentarian at IC Convention in Grapevine, Texas! We're so proud of Brenda and can't wait to see what she does as part of the International Council!

We hope you all had a wonderful summer, and are looking forward to seeing everyone at Fall Conference!

2023-2024 LAMP PUBLICATION HARD COPY REQUEST

Per Indiana ESA By-Laws, the quarterly Lamp publication will be transmitted electronically to the email listed on the official chapter roster that was submitted to the Indiana State Board.

If you do not have email, please ask that a fellow chapter member print a copy for you. If the above cannot be provided to you, a hard copy can be mailed to your current address by completing the following information, and sending it to me.

I, _____, an active member of the

_____ Chapter of Epsilon Sigma Alpha, hereby request a hard copy of the quarterly Lamp publication to be mailed to me at:

Name: _____

Address: _____

City, State, Zip Code; _____

The above member recognizes that it is their responsibility to supply a correct and valid US mail address to ensure they receive a hard copy. They also understand that this request will need to be filed annually.

Any changes to their contact information should be sent to the State Board and the Lamp editor to ensure receipt of the Lamp publication.

Good Friends...

Good Works...

Good times

A Better Place
Poet: Catherine Pulsifer

Acts of kindness can be like little lights,
Giving hope and direction to our long nights.
If we share the joy and give a kind word,
The world becomes better, that is what you heard.

Actions speak louder than words can say,
Someone may need some help today.
Every day work a little harder to bring love,
Let's share it universally, like sent from above.

It takes only one act done with love and grace,
To make this world a better place!
