This year has flown by and I cannot wait to celebrate all of your accomplishments at State Convention. Please get all your forms and money in by May 15th and State Convention registration and hotel deadline is also May 15th . The IC Convention is in Overland Park, KS and MARC Conference is in St. Lois, MO and both of those registrations are now open. Hello!!

Please submit your philanthropic report to me by May 15th. The form can be found on the Indiana ESA Website which is [www.indianaesa.org](http://www.indianaesa.org)

12th Annual Rock the Night for Special Needs, December 7, 2024 at The Atrium. The theme this year will be Prince's Purple Rain album. We better start looking for our raspberry beret's!

For the 2024-2025 sorority year I need to fill 3 committees totaling 10 people that are not members of the Gamma Pi Chapter – the Nominating Committee, the Elections Committee, and the Chapter Counseling Committee. The Nominating Committee includes me, your incoming 1st Vice President and 3 additional committee members. Those 3 members need to be members from 3 different chapters. The members of the Nominating Committee are responsible for receiving nominations from chapters for elected offices, bids for Fall and Spring Conference and bids for state convention and prepare ballots. Please send me your name if you are interested in serving on this committee.

The Elections Committee includes me, your incoming 1st Vice President and 4 additional members from 4 different chapters. The members of the Election Committee open and close the polls at state convention and give the tellers' report to the President. Please send me your name if you are interested in serving on this committee.

The Chapter Counseling Committee includes me, your incoming 1st Vice President and 3 additional members from 3 different chapters. The committee shall aid and assist in chapter problems. Please send me your name if you are interested in serving on this committee.

### ESA Foundation Counselor, Jenni Russ

Greetings! I want to thank all the chapters and individuals who have renewed their Foundation membership. Additionally, I wish to thank those who have donated to the ESA Foundation by making a contribution and those chapters who have used the Turn-Around Fund.

As you begin considering your chapter giving for the end of the ESA year, I encourage you to make a gift to the ESA Foundation and to use the Turnaround Fund for your contributions to other charitable 501(c)3 organizations. You can donate to up to 10 qualifying charities using just one check! If you have any questions about how to fill out the form, please contact me. You'll want to plan ahead by allowing at least 4 weeks for the checks to be returned to you so you may present them or mail them to the selected charities.

Did you know that when you make a donation to the ESA Foundation you aren't required to designate the fund it will be directed to? I absolutely encourage you to contribute to the Indiana ESA Endowment/Judy and Morton Lester Endowment Fund, particularly as the market losses have prevented that scholarship from being awarded in 2022 or 2023. However, I want to make sure you know about the importance of contributing to unrestricted or general funds. To operate, the Foundation has many expenses including the application website, a portion of the ESA Member Suite expenses, and shared payroll expenses for ESA Headquarters staff. While I know you or your chapter may have a particular affinity for the scholarship funds, I encourage you to consider giving an unrestricted gift to help the Foundation continue to operate successfully. Think "both/and", not "either/or".

## Webmaster, Courtney Ginder

Hello, Indiana ESA!

Thank you so much for allowing me to serve as your Webmaster this year (and next year, too!). As I've mentioned many times this year, I appreciate your grace and kindness as I have adjusted to having two young children, one of whom was born right as we were transitioning into a new ESA year. I'm anticipating this next ESA year should be much smoother!

I am always looking for ways to make the website more user-friendly and new content to share on our social media channels. If you have any suggestions for me, feel free to send me an email at [cbginder@gmail.com](mailto:cbginder@gmail.com) or by texting me or messaging me on social media. I love to see what your chapters are doing and sharing that with everyone!

See you soon at State Convention!

ESA Love,

Courtney Ginder

## Chi Omicron, Avon

Hello Spring!

In February we spent a great evening having fun and raising money for Easter Seals playing Bingo. One of our newer members was even lucky enough to be a winner of an amazing spa gift basket!

Our chapter also had a social event at the Tie Dye Lab in Avon. We made t-shirts with the ESA colors to honor our organization.

We had 9 members attend Spring Conference this year. A good time was had by all, and our newer members reported they learned a lot.

Spring Rush had several new faces show up! Hoping some of the attendees join our group in the near future to support our amazing causes.

We are working hard getting ready for our fashion show on April 20, 2024 to benefit Anna's Celebration of Life. It is going to be a great day!

Looking forward to seeing everyone at State Convention in June!

## Eta Pi, Fishers

Happy May, Indiana ESA!

Thank you so much to everyone who attended Spring Conference! We had a great time hosting conference, and we were so glad to see all of you!

We have had a busy spring with our Eggs for Easterseals fundraiser and Murder in Paradise: Mystery Dinner benefiting Anna's Celebration of Life! We sold 1,272 eggs and raised \$889 for Easterseals Crossroads! We have also served dinner at Ronald McDonald House in Indianapolis, and had a fun social at the Indy Winter Farmer's Market.

We are also excited to welcome our first Élan member, Derrionna, to our chapter! Derrionna is Kary Soto's daughter and we are thrilled to have her as part of Eta Pi!

We look forward to seeing you all at State Convention in Terre Haute next month!
