The Gift of Giving

*Give out of love, not obligation.
Give when it's least expected.
Give without strings attached.
Give from your heart.
Give of yourself.
Give to show that you care.
Give help without causing helplessness.
Give something that takes personal sacrifice.
Give to make a difference.
Give without keeping score.
Give for no reason at all.
Give a little if you can't give a lot.
Give without being asked.
Give without attracting attention to yourself.
Give without being asked.
Give of your experience.
Give to those who need it most.*

A Message from your President, DeOn Cahill

Here we are in December and preparing for Christmas already. How time flies. I have heard about so many great events and activities from our Indiana Chapters this past late summer/Fall. I'm so proud of all of you! I also know many chapters are working hard on upcoming spring events. Please know there is no such thing as a small project, EVERY PROJECT we do is BIG to our recipients!

Wow Wow Wow, what a fun Fall Conference! Did you enjoy it as much as I did? I can't even express my thanks to the amazing Indiana Board. Fantastic reports, fun facts and activities. Special thanks to our hosts, Delta Zeta of Terre Haute. You were wonderful!

Incase you haven't heard, I hope everyone has, we have a new chapter in Indiana! Please welcome Alpha Delta of Pleasant Township. They had a really cool chartering ceremony in a fire station on September 12th.

Indiana had a great turn out at the MARC Conference in Cincinnati in early October. We had special entertainment with the traveling light show called Blink that was in town for the weekend. We will be hosting the 2020 MARC Conference in Evansville. I'm sure our Chairs, Peggy Zimmer and Mary Hougland, will be reaching out soon for help from all of us.

I hope you all are receiving the updates I send out to your chapter Presidents for them to forward to you. There have been some recent changes regarding the ISC Board and Spring Conference.

First change, Katelyn Woehner our Collegiate Coordinator has stepped down from her position. She has found her work life is taking more time than she anticipated this year. We all know how that can go. Kate will continue to be active with her chapter and looks forward to returning to the Board down the road.

With that being said.....Drum Roll.....I have appointed Morgan Nichols, Eta Pi as the new Collegiate Coordinator. Morgan is very excited to take over this position and I know she will do well. Katelyn, Morgan and myself visited Phi Alpha, Ball State at the beginning of November to introduce Morgan to the chapter. Their membership seemed excited to have us there. Morgan will continue to work on our Collegiate/Traditional relationship. Please Welcome Morgan to the Board!

Second major change. Spring Conference in Danville will now be on March 7th. New registration forms are available on our state website. This change was made because of the Mini Leadership held by Headquarters scheduled for March 14th in St. Louis. I hope many of you can attend BOTH events.

Remember to let us know about any upcoming events you may have. We need to support all of our chapters as best we can. If possible the support could come from attending the event, but also support can be given by sharing the event. We all know people around the state that might be interested in attending your event. You can provide your information to me and I will make sure to get the word out. But Courtney Ginder is awesome with keeping events up to date on both our website and Facebook page.

Always feel free to reach out to any board member with questions or concerns. We are here for you!

If I don't see or talk to you soon, I wish you all the Happiest of Holidays!

Remember to always Laissez Les Bon Temps Rouler!

Greetings all! I hope everyone is enjoying fall and has great things planned to help membership grow. If you haven't already, please take advantage of the publication from headquarters "Building Stronger Chapters". Membership is an important part of our organization; gathering new members as well as retaining current members. Consider reaching out to a "fallen away" member and encourage them to get involved again.

In all of your events, try to make time for a short "after party" to talk about the benefits of ESA membership.

In addition, there are great resources on the ESA International website. Go to Member Center>Chapter/Council Mgt>Recruitment which includes:

- *Party planners
- *A recruitment PowerPoint
- *Materials request or templates to print your own

Plus many other resources!!

It's not too late to throw your name in the hat to serve on the State Board 2020 – 2021. It's a fun way to get involved and everyone is willing to help if you have questions.

Nomination forms for State offices and to host a State Conference are on the website and are due by December 31, 2019. We have a great time and learn and grow together.

As everyone knows, I like to leave the room with a smile. So this is my smile for your day-especially if you do not own an RV! This was our second to last day of, yes, ANOTHER vacation. We were basically in the middle of Ohio when we thudded and couldn't go anymore. That is the poor guy who towed us to Dayton, with Bill watching. Then the rains came and sparks from our rear end! We still do not know what it was or what it will cost, but we left smiling-after all no one was hurt and it will be fixed. Love camping! and ESA!!!!

Remember to let everyone know what you are doing for Hope for Heroes (coupon info on the IC website). Watch for that special Member of the Year! and have a fabulous Christmas season!

Educational Director - Jennifer Morris

jennifer.morris@indy.gov 317-223-9716

Education is present in many aspects of ESA. In 1929 a group of people came together to learn, grow, and prepare for the ever-changing world they lived in. It is often said the ESA stands for Education, Service and Association. The upper left corner of the ESA Crest features an open book. Tradition says that Epsilon Sigma Alpha freely translated means Pursuit of Learning. For the Sixth Degree of Pallas Athene Awards a member is eligible to apply to design, implement and present projects in the areas of education, service and association. I encourage all chapters to keep education present throughout the ESA year and to report to me what you are learning about. I want to hear from all you!

Maie Lounsbury Wells was the director of the ESA International Educational Department at ESA Headquarters in the 1960's. Each year at the International Convention (IC) the Maie L. Wells Award is awarded to ESA's top three State Educational Chairs for the most outstanding service given to directing their state's educational programs during the year. You can help me prepare Indiana's entry at IC by presenting educational programs each month and reporting on them by the end of each month. Won't you help a sister out? Present the programs and tell me what you did. I will do the rest to prepare Indiana's entry for IC. Remember.....JUST DO IT!!

See you at Spring Conference! I plan to have audience participation at Spring Conference like we did at Fall Conference. Bring your talkin' voice to Danville in March when we continue to Let the Good Times Roll.

As I write this article, the weather is chilly and winter will soon be coming with holidays, family gatherings and seasonal foods. Let us remember those who will be without and those who cannot afford the blessings we enjoy. ESA is living proof of our commitment to be of service.

Below is the easterseals IC challenge to help this organization continue its mission, "Live, Learn, Work, Play". I hope chapters will again give to easterseals:

December—Time to relax and enjoy family; if hosting a Christmas gathering pay \$1.00, if not pay \$0.75.

January—Happy New Year; if you made a resolution pay \$0.50, if you have forgotten and not paid anything; pay \$1 per month that you have missed.

February—It's sweetheart month! Pay the price of your favorite chocolate bar; if you don't each chocolate then pay \$0.75.

March—Money is due 03/31/20, so count your bank and add \$1.00 to your grand total.

April, May and June- if you have not given all year, pay \$3 to jump start next year's challenge. If you have given all year, pay \$1.50 to start your bank for next year!

If you have any questions/concerns, please contact me. Thank you.

Merry Holidays to all and Happy 2020!

A great time was had by all at the 2019 MARC Conference held on October 11 and 12, 2019. Indiana had 21 members in attendance. On Friday we heard from Teddy Kremer, who has Down Syndrome. When he was born the doctors thought that he could possibly never walk, or even smile. This extraordinary young man is the Bat Boy for the Cincinnati Reds, an award-winning ballroom dancer, and has his own bobble head doll. We also heard from Sam and Susan Landis who were previously homeless, who spoke on their mission to help the homeless in Cincinnati. Susan Landis was one of the winners of the prestigious award, "Women of the Year" in 2017 given by the City of Cincinnati. After listening to them speak about helping out the homeless, we were given the opportunity to make washcloths with needed necessities that will be distributed to the homeless. In the afternoon on Friday we heard from Rita Heikenfeld, who is a Herbalist Specialist. She spoke on the best foods and herbs for health and longevity. Denise Hagerty was appointed the MARC Chaplain.

The MARC Conference will be held in Indiana next Fall. Everyone should save the dates of October 9-10, 2020 to attend. It will be held at the Tropicana Evansville. Peggy Zimmer and Mary Hougland are Co-Chairs for this Conference.

Greetings Indiana ESA members!

Did you know that Alpha Delta, Pleasant Township chose its name based on a family matriarch's sorority chapter name at Butler University? This gracious lady helped instill a sense of involvement, service and responsibility in us and we continue to uphold many of her traditions and, maybe, even a superstition or two.

Does your chapter have any traditions or customs? Do you all get together for a Halloween and wear costumes to hand out candy to trick-or-treaters? Do you have an annual social to sit around a bonfire telling stories? You don't have to spill your tea or give away all your inside jokes, I'm just looking for some background for your chapter page for DeOn's scrapbook. Bonus points for submissions that include pictures!

If you would also send me your chapter president's theme for the year, that would be fantastic!

I can't wait to learn more about my fellow members and their chapters as we laissez le bon temp de rouler.

Webmaster - Courtney Ginder

cbginder@gmail.com 765-617-8948

Hello, Indiana ESA! I hope you and your chapters have been having a wonderful fall and winter so far! Please remember to send me your events and pictures from your chapter activities, whether that is philanthropic events or social events so that I can post them on the website and on the Indiana ESA Facebook page. I can always grab them from your own posts that I see, but I know I don't see everything and I cannot promote our fundraisers and other events after they have already occurred. If your chapter has a member that sends out correspondence or otherwise markets your events, please make sure they are sending me event information and pictures using either the Contact Us page on the website or emailing me at cbginder@gmail.com.

I am always looking for new ideas on what to post on our Indiana ESA Facebook page. Do you have an idea of something we could share or do you have another page that has a similar message as us and content that you think we should be sharing? Let me know! The goal is to share all the amazing things Indiana ESA does as well as what ESA as an organization means to us, so if you see something that you think should be posted on our page, please let me know!

2022 ESA International Convention

IC 2022 NEEDS A #HASHTAG #THEME

This will be the 75th Annual IC Convention and we will be celebrating 50 years of association with St. Jude Children's Research Hospital. I have only received 3 entries to date for a theme for convention. We will vote on these at Spring Conference, so get your ideas to me. There is a prize for the person whose idea is picked. You can email your ideas to dahagerty@aol.com.

Chapters, be thinking about what event you would like to host at IC 2022. If you are a small chapter, you might want to work with another chapter close to your proximity to host the event. We will all be working together to make this the best IC ever, so don't hold back- planning is beginning – the opportunities are endless and there is something big or small for everyone to do. Feel free to reach out to me or Karen Maxey with any questions you might have.

Keep your EYES Peeled – we will be showing up on your social media sights and you won't want to miss us.

Congratulations to Alpha Delta, #5610 on your chartering in September! Thank you to Delta Zeta, Terre Haute, for hosting a fun Fall Conference in September! The PIP's met at the Cabin Coffee Company in Avon, IN for our Fall meeting. I would definitely recommend this coffee shop as they have good food, warm friendly atmosphere, and lovely view.

There was great attendance at the MARC Conference held in Cincinnati, OH. PIP Denise Hagerty was installed as the 2019-2020 MARC Chaplain.

We will be celebrating the Holidays with a pitch in hosted by Deb Frazier and Jaycee Peak in Coatesville, IN. In lieu of gifts, the group will be collecting items for Sheltering Wings, a shelter for abused women and their children.

True Christian Christmas

Joanna Fuchs

Christmas isn't showy gifts or glittering decoration;
It's honoring our Savior, Jesus Christ In humble adoration.

It's serving those less fortunate, meeting their needs before our own;
It's making sure at Christmas time that no one is alone.

It's taking what we would have spent on things that no one needs,
And using it to help someone with service and good deeds.

Our Savior showed us how to live with charity, faith and service,
It makes the holidays a joy, more peaceful, and less nervous.

So let's remember Christmas is about our Saviors birth;
That's the way to happiness, the way to peace on earth.

ALPHA DELTA - Pleasant Township, Karen Maxey

Alpha Delta wants to thank everyone that sent us cards, good luck dollars and well wishes. We also want to thank those that were able to attend our Chartering Ceremony. You have all helped us get off to a great start! A special thanks to the state for our Welcome Basket full of wine and goodies! We will be imbibing soon!

We have been busy supporting several philanthropic endeavors: we volunteered at the St Jude Walk, enjoyed dinner together at Chili's Night for St Jude, gathered school supplies for Good News Ministries and helped them with a newsletter mailing. Thanks to your generosity, we were able to take 220 books to Indy Reads that were collected at Fall Conference; we appreciate your support of our literacy project.

We were proud to be a part of one of the largest state delegations to attend the 2019 MARC Conference in Covington, KY, with Cindy being a first-time attendee. We particularly enjoyed the presentation by Rita Heikenfeld, "Eating from the Garden of Eden", and are trying to find more ways to incorporate rosemary (for memory) and sweet potatoes (to balance glycemic index) into our diets.

Our first social was to Condado Tacos on Mass Ave before a shopping trip to Indy Reads and we are looking forward to our Halloween party, complete with costumes and trick or treating with the kids.

Alpha Delta wishes everyone a blessed holiday season, a Merry Christmas and a prosperous New Year!

Hi Everyone,

Hope you're ready for Fall/Winter....I'm not looking forward to Winter. I think we skipped Fall. Fall Conference was a very nice event this year. The State Board did an awesome job providing lots of informative information & lots of fun had by all. The food was very good, too. Thanks go out to the Board & to Delta Zeta-Terre Haute for hosting the event.

Beta Phi had their annual event with the Rockville Elks for Veteran's Day. They provided vegetables, fruit, & desserts for the event. Many thanks to all Veterans for their service for the United States of America.

On Wednesday, November 13, 2019 we put on a Thanksgiving Dinner Fundraiser event at the Rockville Elks. We provided Turkey, Noodles, Mashed Potatoes, Green Beans, a Roll, Dessert, & Drink. Carryout was also available. This was a new event last year & it was a huge success.

NOTE: Beta Phi has partnered with Zeta Eta-Danville for Spring Conference. The date has changed to Saturday, March 7, 2020 due to the mini Leadership Seminar being held in St. Louis on March 14, 2020 which was the original date scheduled for the Spring Conference. DELTA DELTA - Seymour, Julia Aker

Delta Delta, Seymour will Wish It, Dream It, Do It under President Susan Waltz's leadership for a second year in a row.

Philanthropic projects have kept us busy September through November: mum sales raised \$1,640.95 for Jackson County United Way and other local charities and the Oktoberfest money raffle raised \$1,900 with money going to Camp Riley, St. Jude, and local projects. The chapter also cut out, counted and sent thousands of dollars of coupons for Hope for Heroes; met for dinner with family at the Seymour Chili's on Donate Profits Day; collected Hope for Heroes holiday gifts for veterans in Jackson County nursing homes; helped special kids create Tootsie Pop ghosts at the ARC of Jackson County Halloween Hootenanny; hosted a craft day with profit going to Easter Seals; painted faces at the Seymour Home for the Holidays event; and our Relay For Life team "ESA One Step One Miracle" hosted the Santa Breakfast that day.

Vice President Mary Anne Schneider planned an awesome recipe swap rush event on October 24. We look forward to having new members join the chapter.

DELTA KAPPA - Franklin, Emma Ray

Greetings ESA sisters from Franklin!

The ladies of Delta Kappa have had a very eventful Fall season. We have been busy working to collect supplies for busy bags for a local organization called Kic-It. Kic-It is a program that helps homeless teens in our area by offering services and supplies. In December, we will assemble the bags at our "Coffee and Kic-It" event to take to the Kic-It facility. We are also excited to "Adopt a Family" through United Way. We will work together to provide an amazing Christmas experience to a family that otherwise would not have what they need this holiday season.

Another philanthropic project that we are really excited about is Project Linus. We have been making blankets for local children in need and have made 11 so far. We have taken this on as a continuing service project, with a goal of at least 20 blankets by the end of our ESA year! If you would like to help us with making blankets or have any extra fleece laying around (at least 1 1/2 yards), please bring it with you to the Spring Conference and we will take it off of your hands to make some more blankets.

I hope everyone has a wonderful Christmas season! ESA Blessings

We have held pledging and pinning ceremonies for our newest chapter members. Their enthusiasm for ESA and our projects and events has been wonderful for us all!

Record breaking news! The American Legion Post 470 & ESA – Eta Pi Charity Golf Outing not only topped last year's total...but blew it out of the water! Our outing raised \$19,577.38 for St. Jude Children's Research Hospital!!! Over the past 8 years, we've donated over \$94,000 to St. Jude!

Eta Pi is working on our Hope for Heroes project. We will be collecting items for Hoosier Veterans Assistance Foundation (HVAF). Collection boxes will be up through the middle of December at the Decatur Branch-Indianapolis Public Library, the American Legion Post #470 in Fishers and the Do It Best in Fishers. We will be collecting clothing, shoes, food, hygiene items and household items. If you have anything you would like to donate, let us know and we will come pick it up!

We just hosted our Annual Bowling Night benefiting Camp Riley in early November. We have also put together the Winter Warm-Up for Homeless Veterans. There are drop off locations that allow for people to donate men's clothing and personal care items through December 14th. We recently did a Ways and Means MUMs fundraiser for our chapter. Our Social Chair has planned many fun events for our sisters. We had a Game Night and we took the new Red Line to Fountain Square for dinner. We just had a Line Dancing Social! We wish you and your family a safe and Happy Holiday!

ZETA ETA - Danville, Jaycee Peek

Thank you to the Delta Zeta chapter for hosting an AWESOME Fall Conference in Terre Haute.

Jaycee traveled to Cincinnati, OH to attend the MARC Conference with Deb Frazier. We both had a great time in Cincinnati for their BLING weekend. The MARC Leadership had very interesting speakers on Friday. Approximately 120 members attended the MARC Conference throughout the MARC 12 states, which also included the IC Executive Board members.

Zeta Eta has been busy getting homemade items ready for two recent Holiday Craft Shows. The first craft show was Saturday, November 9th in Bloomington, IN. The second craft show was in Seymour, IN for Beta Kappa's Holiday Craft Show on Saturday, November 23rd. We also had our RADA Cutlery fundraiser in November.

The Zeta Eta and Beta Phi members are busy with planning the 2020 ISC Spring Conference to be held on Saturday, March 7, 2020 at the Danville United Methodist Church. ISC President DeOn has notified the Chapter Presidents that the Spring Conference has been moved from the original date of March 14th to March 7th. It was announced at the MARC Conference by Charlotte Carloni that the Leadership Seminar had been rescheduled to Saturday, March 14th. In order to allow as many Indiana membership to attend the Leadership Seminar in St. Louis, MO, the Spring Conference was moved to March 7th to accommodate. We regret that there will NOT be a Paint & Sip event held the Friday night before Spring Conference as previously scheduled due to our artist's previously scheduled commitment. We are planning a great Spring Conference and hope to see many of you in Danville at the United Methodist Church on March 14, 2020!

We wish you and yours a blessed holiday season and prosperous New Year!

Until we meet again, take care, keep safe and warm!

*Christmas is forever, not for just one day.
For loving, sharing, giving, are not to be put away.*
