EPSILON SIGMA ALPHA

Hello all! Hope everyone is staying warm after that big snowstorm. Although I LOVE the snow, I didn't get to be here. Jennifer and I were in Denver. We had so much fun and learned a lot from Leadership.

Get Ready Hoopers! I hope to see everyone in Danville on March 12th for Spring Conference. The theme is basketball, so come dressed in your best basketball attire. Plan to bounce, throw, block, and shoot with some fun educational, social, and physical activities (for all ages and activity levels). Let's Slam Dunk with a big turnout of members.

I would love to visit your chapter meeting and/or attend an event your chapter is hosting. Keep me updated so I can add it to my calendar.

Please know I am always here to serve YOU! Feel free to reach out with anything you may need from me.

St. Jude \$50 for 50 Challenge

If you haven't heard yet, this year is 50 years together for ESA & St. Jude! Every state is being challenged to make 50 (or more!) \$50 donations to St. Jude during 2022.

Through December, mem are encouraged to make as many \$50 donations (or donations in \$50 increments). ESA Headquarters will track these donations by state and the winning state receives a very special prize at their 2023 State Convention. (We can win this!)

Rules:

- The money raised for this challenge must be NEW money - not funds from a chapter's yearly St. Jude event or annual donation that they were already planning on making.
- Credit events will not count - this is a cash fundraiser.
- ESA Headquarters must be notified for any donation that should count toward this fundraiser. Mailed checks should arrive with a note in the memo line. If

filling out a Completed Event Form (online or paper) be sure to indicate the donation is a \$50 for 50 event. Note: there is a new printable Completed Event Form on the ESA website - be sure to use that one, the old forms do not have this event option

- ESA will not retroactively count donations toward this campaign, so make sure it is clear that the donation should be counted.
- NEVER mail cash - convert all cash to a check.
- Donations should be made in increments of \$50, and Headquarters will track these donations for your state. Headquarters will not keep track of r donations, so hold those until they equal \$50.
- All checks should be made out to *St. Jude Children's Research Hospital* and mailed to ESA Headquarters. Checks mailed directly to the hospital will not be tracked.

Celebrate 50 Years Together - <https://www.epsilonsigmaalpha.org/member-center/make-a-difference/St-Jude-Children-s-Research-Hospital/Celebrate-50-Years-Together>

We will have some opportunities from the state board to raise money but also consider doing something with your chapter. You may also mail a personal donation in \$50 increments. Let's win this! 😊

**Second Vice President
Cindy Norman**

Hello! I hope everyone had a wonderful holiday season with your loved ones; I definitely did. It is hard to believe that the ESA year will be over in 4 short months.

I receive two State Project Recommendation forms on time. We will discuss them at Spring Conference.

Our new Camp Riley contact is Donna Fischer and I have been corresponding with her about the new fishing dock. As of right now they are planning to have camp this year and hope to get the dock built by then. I hope to see many of you at Spring Conference in Danville. In the meantime, stay warm and be careful in the winter weather.

**Junior Past President
Brenda Campbell**

Hello all! It's certainly difficult to write "Happy Spring" when as I look outside there is snow and its very cold. However, I tell myself to enjoy the seasons and the beauties each one brings.

Please remember the Disaster Fund when you plan your chapters' year end giving. I would like to hear what your Chapters have done for Hope for Heroes.

Member of the Year forms will be in chapter packet at Spring Conference and are available on the website.

There are also forms for updated rosters on the website. Please update and submit them by the magical date of May 15.

"Forget Failure. Forget Mistakes. Forget everything except what you're going to-do now. AND DO IT."

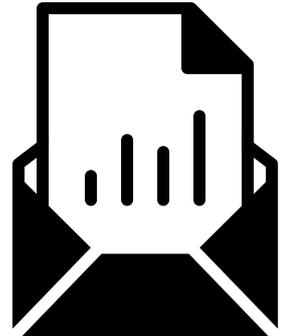

**Parliamentarian
Morgan Nichols**

There were no proposed changes to the Indiana State Council Constitution and Bylaws received by the deadline date of January 1, 2022. If you have any questions or concerns, please contact me by email at mnichols1@carthage.edu and I will be happy to assist you and your Chapter.

**Educational Director
Monica Haddock**

Hello everyone! I only have a handful of chapters that have sent in educational reports so far this year and only a couple that are sending them regularly. Make sure your educational chair is sharing all of your fun learning with me!

Speaking of fun learning here's a new sport for you to try. Pickleball is a sport that has been around since 1965 but has quickly grown in popularity over the past few years. It is a paddle sport that combines elements of tennis, ping-pong and badminton. It can be played in singles or doubles, inside or outside and with a paddle and plastic ball. Pickleball is fairly easy to learn and is a great option for those with physical limitations. Check around your areas to see if Pickleball is offered and give it a try!

ESA Foundation Chair Mary Brewer

Greetings to all and hope everyone is staying safe this winter, enjoying the new year and getting ready for Spring Conference!

As most are aware, Indiana is hosting the IC Convention, on the evening of Tuesday, July 26, the ESA Foundation will host the Foundation Fun Fest, Indiana will donate a state basket to this event for the silent auction. More information will be shared prior to State Convention. If anyone has a suggestion for a theme, please send me an email or text - we will announce the theme in March!

Here are some reminders about the ESA Foundation ...

- ESA Foundation is an AmazonSmile member, simply sign up at smile.amazon.com and select ESA Foundation.
- Turnaround Funds - this is a simple way to support our ESA Foundation:
- Rather than sending individual checks to one or more 501(c)3 charities, the individual sends one check to the Foundation indicating which charity is to receive what amount. The Foundation turns around this request and sends the individual check(s) back to the person using the turnaround funds. Then the person sends the checks to the individual charities. Note: Checks are returned to the donor, not to the charity, so the donor needs to send them on to the charity.

Membership Options and Dues:

- Annual dues are expected to be received at ESA Headquarters before March 1st
- General membership is just as important as Life Active Membership.
- Members of the Foundation do not need to be ESA members!
- It is only \$25 to join and \$15 per year annually.
- It's never been easier to join or renew online via the Membersuite Link:
<https://esa.users.membersuite.com/home>.

Chaplain Jan Lantz

As I'm writing this article, we are in anticipation of a big snowstorm. Winter is not my most favorite season. I look forward to my grandson experiencing the outdoors and snow fun, but I just don't get excited about cold, driving in the snow and the many other challenges and obstacles that come with Winter weather.

In my thoughts are the words we have all heard "spring is just around the corner". At the time this article comes out, hopefully this will be true. These words bring about a sense of anticipation of new growth of flowers and the trees, maybe bulbs you have planted in the ground and rays of warm sunshine or drops of fresh rain. Most importantly it gives a sense of a time where your body, spirit and soul can feel renewed.

Celebrate; we have made it almost through those winter months and look to the renewal of your body, mind and soul. Get lost in the things that renew and encourage you in the months ahead. Make a "bucket list", plan and prepare some time for yourself or with others and enjoy!

Lamp Editor Elaine Weller

I hope everyone is staying safe. Thank you for your continued *Lamp* submissions and know I appreciate the time you spend making a difference

in our community. We also appreciate you telling us, the ISC membership, of the work being completed around the state. Please remember, any ISC member can make submissions to The Lamp. You can email me directly at: nplane01@aol.com.

Association of the Arts Chair
Roseann Gary

I hope there's been some creative crafting happening, these past few months.

If you had an entry ready in 2020 or 2021 and didn't get to enter it, you can submit it, for this year.

I'd like to challenge all Chapters (as a Chapter) to have an entry in any category, OR one that represents the President's theme: *SPORTS*. We have a larger area for displays, so come on, lets fill it up!

Please remember: The Association of the Arts Entry Form can be found on our website. You will navigate to our website: indianaesa.org/forms towards the middle of the page you will see "Association of the Arts Entry Form". You can also contact me to receive a form by mail.

Treasurer
Wendy Hahn

Thank you to all chapters who had their state dues paid on time! The State Project(s) Contributions form is on the website. All Camp Riley and Anna's Celebration of Life

donations that are made out to ISC-ESA are due to me and must be postmarked by May 15th. Checks made out to the charity can be sent directly to the charity. Don't forget to record the donations on the philanthropic report. Please let me know if you have any questions!

Webmaster
Courtney Ginder

I have been working on creating content for our Indiana ESA Facebook page in addition to keeping the website up and running smoothly, and so far it has been a great success! I appreciate all of you who have answered the questions in our group about why you love ESA and what your favorite philanthropy is. These posts have resulted in a boost of over 1500 people seeing our page (up 65.7%) and a 275% increase in people viewing our page.

These posts help boost our page so that the content we really want people to see - our events and fundraisers - is more likely to appear in their newsfeeds, because they're routinely interacting with our page. They also show what makes Indiana ESA such a great organization - *us* - and my hope is that it may even help us with recruiting and membership.

Please remember to send me events to be posted on the website and shared on our Facebook page! Social media is really becoming one of the best ways to get the word out about events around the state, and I'm happy to help promote your chapter's events.

Past Indiana Presidents

Your PIPS want to say a Warm Hello !

We are looking forward to Spring Conference, we plan to have a brief meeting, where we will work on the centerpieces for the luncheon we are hosting at the IC Convention in July. We do enjoy supporting our ESA Sisters!

Happy St Patrick's Day! Have a Blessed Easter!
ESA Friendship and Love to All!!

Chi Omicron - Avon

The members of Chi Omicron patiently waited for the birth of their youngest member to be! Robert and Lyndsey Beal, have a baby girl, Veronica Priscilla Beal, born in February. To say that all of us are super excited is an understatement! Meanwhile we are preparing to host the state for Spring Conference later this month. We hope you all enjoy the ESA Madness we have in store for you!

Spring in ESA always seems to be a bit hectic, but we are gearing up to end the year strong and we hope to see many of you at State Convention and IC Convention later this year!

Eta Pi, Fishers

Eta Pi, Fishers excited and motivated to make 2022 a great year! We are eager to volunteer, plan, and create some great events this year and have a bunch of fun doing it!

To celebrate the holidays in December, Eta Pi had a brief business meeting and then enjoyed fun games and prizes at our annual Christmas party. Everyone dressed in ugly Christmas sweaters or just plain cute attire for the occasion!

Our chapter finished up 2021 with a donation collection for homeless and at risk veterans. Collections took place at American Legion Post 470 and at Engledow Group. The Winter Warm up for HVAF of Indiana collected over \$1,200 in donations!

Our golf outing is back again this year! The American Legion Post 470 & ESA - Eta Pi Charity Golf Outing is set for September 22, 2022 (9/22/22) and will take place at Ironwood Golf Club in Fishers. We need golfers, sponsors and prizes! We will be out hitting the ground, asking for donations. If you know of a business that you think would be interested, please let us know!

We continue to work on making the 2022 Indiana State Convention the best one yet and we can't wait to celebrate Alley's year with all of you!

Alpha Delta, Pleasant Township

Alpha Delta has had fun working on projects for the Johnson County Humane Society. We donated blankets, towels, and dog treats from their wish list and made dog pull-toys. We discovered there is more than one way to tie a square knot, so enjoyed comparing techniques as we tied. We continue to bag crayons for Bearing Precious Seed and stuff newsletters for Good News Ministries. Several members helped set-up for the ACOL Rock the Night event.

In November, Alpha Delta celebrated Friendsgiving with games and a turkey dinner. We also used this event to work on centerpieces for the upcoming 2022 IC Convention Welcome Party. In December we got together for a cookie and candy exchange. While the cookies were in the oven, we made holiday themed string art ornaments. In January, competition was tight among the teams for our Thrift Store Scavenger Hunt and in February we had a Galantines Fondue Party where we made valentines for the kids at St. Jude.

We are learning all about essential oils from our educational director, Cindy Clossey. The best oils to use for all-over body relief with reflex therapy, what carrier oils are and how they are used, and safety tips for using oils in cleaning products are just a few of the topics she has covered.

We hope to see everyone at Spring Conference!

Members Libby Maxey, Stephanie Moore and Cindy Clossey working on centerpieces for the 2022 IC Convention Welcome Party

Gamma Pi, Indianapolis

We enjoyed a busy late fall and holiday season, celebrating and giving together. We are excited to welcome four new pledges: Adrienne Adams (former ELAN member), Rita Chapman, Chris Sadenwater, and Brandy Small. We can't wait for you to meet them!

Our bowling night for Camp Riley raised more than \$1,500 and we delivered more than \$1,500 in new clothing and hygiene items to HVAF (Helping Veterans and Families) in Indianapolis. Our partnership with two collection sites in Zionsville, plus members' own donations, help to make this annual Hope for Heroes collection a success. We blessed two families from Little Flower parish with Christmas gifts for their children and shopped for teen gift items for the United Way of Johnson County holiday angel tree program. Our Christmas party was great fun with food, laughter, games, and secret sister gift exchange. We wrapped up the holiday season for students at DAMAR, serving as elves to shop for and package gifts.

In February, several members volunteered at Gleaner's Food Bank, we made valentines for nursing home residents, and hosted the 39th Reverse Raffle for Camp Riley.

We hope you'll mark your calendars for April 6 and plan to join us for Purse Bingo benefiting Anna's Celebration of Life. Visit our chapter facebook page - ESA Gamma Pi, Indy or contact a chapter member for more information.

Beta Phi, Rockville

Hello from Rockville! We had our Meeting/Christmas Party in early December and bought Christmas gifts for a local high school student. We are now gearing up for the spring season. We have our annual Bunny Breakfast on April 9, 2022 and are making plans for our Car Show this summer. We hope to see everyone at Spring Conference in March.

Zeta Eta, Danville

Happy NEW YEAR to everyone from Zeta Eta!

The Zeta Eta members are busy working with Chi Omicron members to host the Spring Conference on Saturday, March 12, 2022 at the Danville United Methodist Church in Danville, IN.

At our January 8, 2022 meeting, Jaycee brought potential member Baleigh Hance and Melissa brought potential member Brandy. We are hopeful they will be joining Zeta Eta.

Our recent social was U Paint Pottery in Greenwood. We all look forward to an event out together! Look for our pictures together in the next issue!

Several of our members have been under-the-weather with sickness. We also had 2 members suffer losses of family members. Becca Barbour lost her husband's aunt from a stroke and heart attack. Jaycee Peak lost her younger brother, John Gibson, following a 3-year battle with lung and brain cancer.

Everyone take care, be safe and careful. Zeta Eta members are looking forward to seeing you in Danville at Spring Conference on Saturday, March 12, 2022.
