## *A Message from your President, DeOn Cahill*

### **Welcome to a new ESA year!**

What an amazing start with a wonderful convention in June hosted by Beta Chi! So much fun celebrating Carmen's year and boy did we fly high! Congratulations to all chapters that were recognized for your hard work the past year.

I must recognize Denise Hagerty, Tammy Bryant and my Eta Pi chapter members for a very beautiful and fitting installation! Y'all definitely hopped on board with my "Laissez les Bon Temps Rouler" theme! I was definitely touched and rumor has it I shed a few happy tears.

Sometimes life seems to leap and jump and before I knew it International Convention was upon us. I am so proud of our Indiana Delegation in Memphis. We had 7 first timers, 5 where Phi Alpha Ball State members. We all had so much fun and learned so much from the workshops and General Meetings. I know many of the ISC Officers will be sharing more information that they received at our Fall Conference.

Speaking of Fall Conference, I hope you all are planning to attend. Your Board will be working hard to make this a fun and informative day for you! Hope to see you in Terre Haute on September 21<sup>st</sup>.

I'm so very excited for this coming year! I want you to know that I'm here for you for whatever you may need as is the entire ISC Board. Please reach out to us for anything you may need or have questions on. We can only be successful as a state if we work together.

Happy Fall to all! What a wonderful kick-off to the ESA year with De-On's installation, a great time at IC in Memphis, and the news that Indiana will be hosting the 2022 IC Convention.

Now back to business. I had the privilege of visiting St Jude Children's Hospital for the first time, and it was an inspiring experience. Seeing first-hand the difference we as ESA have made, and understanding the need for so much more, fuels the fire to ignite membership in Indiana.

There was some great information shared that I will be passing along throughout the year.

As five members of the Ball State collegiate chapter attended IC, I hope that is a great step in influencing them to transfer membership to a community chapter upon graduation, or even create new chapters. There is great empowerment in allowing members to form a chapter that develops and grows as it fits their lives, talents, and interests.

I am also responsible for the slate of officers for chapter year 2020-2021. I hope to have a full slate by 12-31-2019. If there is a position on the State Board you have thought about filling, please do not hesitate to reach out to any PIP, Board Member or myself with any questions regarding that position. We need YOU! We need your talents, unique perspectives, compassion, and your fun-loving spirit!

There are two forms on the Indiana ESA website for Board positions. One is a survey and should be used for appointed offices and general appointments. The second is a State Officer Nomination form that should be used for all elected offices.

Fall Conference is NOT too soon for submit a form. Download, print and complete the form today!

I am honored to serve this year and look forward to Letting the Good Times Roll!!!

Brenda J. Campbell, 1st Vice-President & Membership Chairperson

**Jr. Past President - Carmen Oswalt**

coswalt47@gmail.com 260-224-0470

Hello Indiana ESA membership! As I begin my last year on the Indiana State Board I have tried to figure out how long I have actually been on the Board. If I remember correctly I am now starting my 11th year. (I also filled in ½ year for another officer.) So, I know you are tired of me and my news articles!

I have had a very busy summer starting out with my husband having back surgery (doing well), leaving the next day for State Convention and ending up with IC Convention and my oldest grandson's wedding. We are planning a short RV trip and then we will back to normal.

I have not received any information regarding the Hope for Heroes projects, so I will ask that you continue collecting coupons and planning local Veteran/Military projects. As soon as I know something-YOU will know something.

See you in September-in Terre Haute, I know those members in Delta Zeta are planning a great day!

One of my more memorable moments in ESA. All for St. Jude Children's Research Hospital. Thanks Jenn Balkema for a great fundraising idea.

As your 2019-2020 ESA Collegiate Coordinator I am excited to Laissez les Bon Temps Rouler "Let the good times roll". The Phi Alpha board have been in communication with Tracy at International Headquarters and some members attended the 2019 IC Convention in Memphis. As normal they are going to participate in the activity fair, rush week, and homecoming this fall semester. The officer team is a group of great members ready to brainstorm about how they can fundraise and grow the group, using ideas they learned at convention. They are also excited to be more involved with our alumni this year.

I have reached out to some other schools about how to get ESA in their college. Please send me contacts of anyone you know who is at or has a child at the collegiate level. Prayers as we work into growing the Indiana collegiate community.

How appropriate as ESA sisters and brothers also give as we follow our mission to serve. I challenge each chapter to volunteer at Easterseals events and/or contribute funds to continue this important work as Easterseals continues for another 100 years.

It's that time of year... everyone is wound up after a great state convention and ready to start another year of excitement. So, as your Awards Chair for 2019-2020, I would like to remind you it is never too early to keep the future in mind. There are many reasons why each of us have joined ESA. Regardless of the reason, let's share our experiences to encourage membership retention and growth. You have months to gather your thoughts and compose a "What ESA means to me" essay. There are many opportunities to recognize and nominate ESA members for various awards and honors during the year. You will read more about those in future LAMPS. We all work hard and often find ourselves in thankless positions repeatedly. Let the good times roll and please shed light on the ordinary and extraordinary efforts this year.

CAMP RILEY VISIT - Camp Riley hosted an Indiana ESA Day in April, 2019. This was an opportunity for ESA to visit Bradford Woods for the first time in several years. In the past when we have visited, we have been able to interact with the children attending camp. This visit did not include visiting with the children. This was a disappointment to me because I enjoyed seeing some of the children that our efforts have benefited. I thought to myself, why go? I've seen Bradford Woods many times, why go again? I'll tell you why. There are so many good things happening at Camp Riley all the time. It made me proud to see what ESA has provided to Camp Riley, the buildings, the amphitheater, the walking trail, and on and on. I saw aspects of the Camp that I had not seen before. We toured the Interpretive Center, the Amphitheater, viewed the zip line in action, went into one of the cabins to see where the campers stay, went into the Dining Hall, and visited one of the original campsites and dining hall. It was very small indeed, but gave a perspective on how far Camp Riley has come. What I felt on this visit was that ESA is truly valued by the people involved on a daily basis with Camp Riley. A profound statement was made while we were on our tour. The staff at Camp Riley kept saying that they wanted to make the Camp more accessible to ESA. A remark was made to the effect that it doesn't really matter if we see it or not, as long as the kids get to experience it. That's right everyone. It is not about us, it is about the kids. And that is why we do what we do. We have supported Camp Riley in many ways over the past 52 years. We have outdone ourselves in providing the supplies that are needed. In fact, it was mentioned that they will never have to purchase construction paper again, as we have fully supplied that need. It was also mentioned to us that if there are larger purchases on the Camp Riley Wish List that it would be very helpful if we were to supply funds and designate what you would like purchased. Camp Riley's kids' needs are so specific, there are so many regulations that have to be followed, and Camp Riley has "contacts" to obtain what they need. What they don't have is the money designated to purchase the items. So my take from that conversation is that while camperships need to be funded, it would also be a good plan of action to send money designated to go toward some of the bigger items on the Wish List.

## **ESA Foundation Chair - Emma Ray**

ejr31905@aol.com 317-412-5349

Hello ESA sisters! I hope everyone had a great summer! I had a fantastic time at IC in July and enjoyed catching up with my ESA sisters from all over the country. I also was able to attend the ESA Foundation meetings and learn everything that I could about the ESA Foundation. I also learned that there are a lot members of the Foundation in Indiana, which is really exciting! If you are not a member of the ESA Foundation, then I ask you to consider becoming a member of this worthwhile organization. If you are not sure if you want to join, here are my top 3 reasons why you should make this year the year to become a member:

1. You can help provide scholarships to well-deserving teens all across the country.
2. You can make a difference in the lives of adults who are wanting to continue their education through career-enhancing grants.
3. Your membership fee of \$25 for the first year, and \$15 every year after, is tax-deductible which puts money back in your pocket!

So, what are you waiting for! If you would like to become a member, you can either go on the ESA International website OR bring your checkbook to Fall Conference and I will have applications for you to fill out with me. Let's make this year the year Indiana says "Yes!" to supporting the ESA Foundation.

Hello, Indiana ESA!

I hope you all have had wonderful summers and are looking forward to letting the good times roll this ESA year - I know I am! Please remember to send me your upcoming chapter events so that I can get them on the Events calendar on the website and so I can publicize them on the Indiana ESA Facebook page. I do occasionally find them on your personal pages, but I know there are some things that I miss. If your chapter has a Publicity Chair, please have them update me with events and fun things your chapter has done. Sharing our events on the website and on social media helps get the word out on all the great things we do, and can also help us grow our membership!

If you have any questions about the website or the Indiana ESA Facebook page, please feel free to email me or you can also get a hold of me through the Contact Us page on the state website.

Hello to all of my Indiana sisters and brothers!

This year I will be your Association of the Arts chairperson. Even though my creativity is minimal, I certainly appreciate the arts and am looking forward to welcoming all of your fantastic creations at State Convention in 2020.

I encourage every member to tap her/his creative inner self and submit at least one entry, hopefully more. The only stipulations for entries are:

1. Entry be created within the last three years, and
2. Entry has never won an Association of the Arts award before.

Easy? Right!! The Association of the Arts form can be found on our State website [www.indianaesa.org](http://www.indianaesa.org), but please feel free to contact me with questions.

I would love to have to ask for more tables at our State Convention for all of your wonderful entries!

Enjoy and happy creating.

## **DELTA KAPPA - Franklin, Emma Ray**

Hello ESA sisters! We had a very fun and relaxing summer in Franklin this year. We finished our ESA year in May with our installation of new officers. We are also excited to announce that we started the year with 5 Delta Kappa sisters, and have grown to 7 over the course of the year. Since we do not meet during the summer months, we all spent the summer doing philanthropic projects on our own or in our community. We are currently making blankets for Project Linus and collecting supplies for "busy bags" for the children of local homeless teens. We look forward to continuing to grow and grow closer as a chapter as we take on new projects and keep the spirit of ESA going in Franklin.

## **DELTA SIGMA - Evansville, Florence Sterrett**

Delta Sigma officers elected and installed for 2019-2020 include: President, Kenya Shoultz, Vice President, JoSu Crabtree, Treasurer, Susan Roberts, Secretary, Caroline Suter, Educational Director, Kim Shaw, Parliamentarian, Linda Carol Wilson, Jonquil Girl, Lisa Wilkins, Historian, Linda Carol Wilson, Chaplain, Sue Lockwood, and Scrapbook, Bonnie Saponka.

Our recent events included participating in a community cruise-in and bake sale that raised \$15,000 for St. Jude, a chapter bake sale that raised over \$400 for Camp Riley, sale of frozen pizzas through a local restaurant, and volunteering at Frog Follies for Easter Seals. We received a report that the 2019 St. Jude Give Hope Run in Evansville raised \$115,000, bringing the total raised over 9 years to \$1 million.

Delta Sigma's Fall fundraiser is now a Trivia Night on Sat., Nov. 2 at VFW Post 1114, Evansville, with proceeds going to St. Jude. We are soliciting donations for live and silent auctions, finalizing the menu for pizza, snacks, soft drink and cash bars, publicizing the event and selling tickets. Wishing our ESA friends all around Indiana a beautiful fall and hoping to see you soon!

## ETA PI - Fishers, Kelly Hanson

It's been a busy start to the sorority year for our chapter. DeOn Cahill became our Indiana State Council President and Monica Haddock became our Eta Pi Fishers President. These two fantastic gals will rock their new roles! We are so proud of them.

Eta Pi has been working on the American Legion Post 470 & ESA- Eta Pi Charity Golf Outing. Over the past 7 years, we have donated over \$74,000 to St. Jude Children's Research Hospital. Teaming up with the American Legion is important for our outing in many ways. We are able to get donated food, adult beverages, and silent auction prizes from their vendors. The Legion also supports our outing by providing fundraisers prior to the outing. It's been a good partnership. There is much work to be done though, as we continue to call on businesses for hole sponsorships, donations and raffle prizes. Getting golfers is always the most difficult task. If you would like to golf in our outing or know of golfers who would like to play, please send them our way! Our outing takes place on September 9th, 2019 at River Glen Country Club in Fishers. Registration of \$125 per golfer includes a boxed lunch, adult beverages, golf, and dinner back at the Legion. It's a great day and we love to put it on every year!

Sue Bigler and Kelly Hansan working on golf outing donations in Fishers.

We will be volunteering this year again at the Fishers Farmers' Market. It's a lot of fun with a lot of great treats along the way! This also gives us an opportunity to advertise our golf outing. Last year, we actually added a foursome to our golf outing that stopped by our booth!

Eta Pi will be making meals again for the Ronald McDonald House this year. We will also volunteer for the St. Jude Walk and Anna's Celebration of Life event. Other events that we may participate in this year include the Headless Horseman event at Connor Prairie and the Fishers Parks & Recreation Winter event.

Of course our group likes to play! We have many fun activities set in motion for each month, including pool parties and board games.

We hope you have a fantastic year of fun and philanthropy! See you at Fall Conference!

## **GAMMA PI - Indianapolis, Tori Raderstorf**

Hello everyone! We hope everyone has been enjoying their summer. Gamma Pi is about to kick it into full gear for our 2019-2020 year with our planning meeting in August. The summer has been filled with fun activities for us. In June Gamma Pi participated in Relay for Life in Beech Grove. We also provided lunches for Easter Seals iCan Bike Camp. We had 10 of our ladies also take the trip to Memphis to attend IC Convention in July. What a great time they had! Our Gamma Pi sisters are always so proud of the things our ladies have accomplished. This year several of our sisters will be serving on ISC Committees. As well as one running for a position with MARC. We can't wait for the year to come, and we are looking forward to seeing what all of our other fellow ESA Chapters have in store!

## **ZETA ETA - Danville, Jaycee Peek**

Many thanks to the Beta Chi Chapter members for hosting an AWESOME Indiana State Convention in Fort Wayne. Congratulations to Carmen as our 2018-19 ISC President.

Deb Frazier, Beta Phi and I, Jaycee Peek, traveled together to Memphis, TN to attend the IC Convention. Our tour of the St. Jude Children's Research Hospital was very heartwarming to see many of the St. Jude's patients smiling and melting our hearts throughout the tour.

Zeta Eta and Beta Phi are finalizing plans for hosting the Spring Conference to be held on Saturday, March 14, 2020 at the Danville United Methodist Church. Also, for a Paint & Sip Fundraiser for Indiana State Disaster Fund to be held on Friday, March 13, 2020 at the Danville United Methodist Church. Look for the detailed flyers in the Chapter Presidents' packet at Fall Conference.

Zeta Eta elected new officers for the 2019-20 chapter Melissa Peak, President, Jaycee Peak, Vice-President, Becky Allen, Recording Secretary and Maricia Wilson, Treasurer. Our first meeting will be on Sunday, September 8<sup>th</sup>.

May the GOOD TIMES ROLL for the coming year and memorable moments to DeOn Cahill, ISC President and the Board and all of the Indiana chapters and sisters!

We look forward to seeing many of you at the Fall Conference on September 21<sup>st</sup> in Terre Haute.

## **2018-19 Winning Entry - "What ESA Means to Me" - More than one year**

Submitted by Pam Grenard, Lamda Mu, Lafayette #4868

### **What ESA Means to Me ("You CAN Teach an Old Dog New Tricks")**

The myth "you can't teach an old dog new tricks" is false. I've been in ESA 40 years, and I'm still learning new things. ESA is the vehicle for this knowledge. Many experiences are gained through our goals—Education, Service, and Association. I've discovered all of these in my many travels. I learn a lot at State Convention and MARC, but I especially love going to IC Conventions where I explore the cities with old and new friends. I experience the culture, attend workshops, participate in the St. Jude Challenge, listen to motivational speakers, and, of course, spend a lot of time laughing. ESA let me experience a glacier calving in Alaska on my vacation with a Virginia ESA sister. I was fortunate to travel with ESA sisters to Australia where we learned about the country and met many Australian sisters as we helped them celebrate their 50th anniversary.

Even working a service project can be a learning experience. I now can make Santa Scarves for needy children. Collecting coupons and sending packages to a soldier taught me about the postal system. At MARC we learned how to balance a tower of canned goods for a food pantry.

I have also had the opportunity for leadership roles in ESA from chapter offices to IC offices. I emerged from a very shy young woman in 1979 to one who is confident. I definitely learned much because of these offices. Through the diversity of every office I've served in I learned to appreciate others and their talents.

All of these experiences have become a part of who I am. So, this "old dog" has learned many new things through the opportunities that ESA has provided, and I will continue to learn and experience for many years to come.
