Meet Our Officers

Jennifer Skinner, 2022-2023 Indiana State President

Welcome to the 2022-2023 ESA year! We are going to be Roaring for ESA! Let's roar loudly, spread the word, and make sure our friends, family members, co-workers, neighbors, communities know who we are and what we do. Good Friends. Good Works. Good Times.

I wanted to thank everybody again for a beautiful induction ceremony. It was perfect and I couldn't have imagined a better evening. We have an awesome board leading us on our journey this year and I'm honored to be a part of the group!

Indiana has also already been busy this year hosting the IC Convention. It was an amazing week and took so much work from all of you. You should all be very proud of what Indiana accomplished!

The State Board had a retreat at Bradford Woods to start planning for the year. We have lots of great ideas and can't wait to share them all with you. We also had a lot of fun escaping the enchanted forest, sharing some snacks, sleeping over, and indulging in a yummy breakfast.

The state website is now up to date with all 2022-2023 information and forms. Fall Conference will be here before we know it so make sure you are watching out for more details. You won't want to miss it!

Important Dates:

Fall Conference, October 22, 2022

Spring Conference, March 18, 2023

State Convention, June 9-11, 2023

1st Vice President – Cindy Norman

Hello everyone!! I can't believe we are starting another ESA year. I am Cindy Norman, your 2022-2023 1st Vice president. I am a 30 year member of Beta Phi, Rockville. I really hope we can increase membership this year. Please let me know of any rush events you plan and I will try to attend. I know we are just starting this year but think about what you would like to do next year on the board. Nomination forms are due January 1, 2023. Also talk to other chapter members about hosting a Spring or Fall Conference those forms are also due January 1, 2023.

*ESA Love,
Cindy*

2nd Vice President – Kary Lasley

Hello, I'm Kary Lasley. I'm the mother of 8 children and a small business owner. I'm incredibly excited to serve as second Vice President this year.

Here is the volunteer opportunities information for ACOL golf outing, please let me know as soon as possible if you will be participating:

The next volunteer need is the annual golf outing at Country Club of Indianapolis on Thursday, August 18th. The annual Celebration Ride is September 10 on the Southside of Indy. here is the link to our volunteer role descriptions.

<https://acolf.org/volunteer/>

Also, ESA Camp Riley Day is set for Sunday, September 25th at 1pm. More information to come!

Past President – Alley Gary

Greetings from Southside Indy! I am a 10-year life active member of Eta Pi, Fishers. I want to thank everyone for such an amazing and supportive year. Everyone fully embraced ESA Sports. I may have passed the crown but won't let you down by not wearing something on my head (lol). I have decided to fully embrace the PIP apples. I want to congratulate the new 2022-2023 ISC Board. Jennifer will be a great leader Roaring for ESA. I hope to see lots of faces in Tulsa, OK for MARC in October. Then a few short weeks later at Fall Conference. Be prepared to learn some new changes to Hope for Hero's and Disaster Fund. I will have info ready for chapter Presidents. Please reach out if you have any questions, I am always here to help!

Treasure – Jennifer Morris

Hello! I am excited to serve as the Treasurer this year as we Roar in ESA. I am member of the Gamma Pi Chapter in Indianapolis. My husband Brian and I celebrated our 20th Wedding Anniversary this past April. Our son Samuel is a Freshman at Ball State University studying Communication and playing the trumpet with the Pride of Mid America Marching Band. Our daughter Hannah is a Freshman at Roncalli High School enjoying being a member of the Freshman Cheer Squad. Our dog Mac is a 3-year-old German Shephard/Rottweiler. The forms you will need this year to report all the dollars you raise this year have been updated and can be found on the Indiana ESA website. I hope to see you at Fall Conference to share my idea with you for the 2022-2023 ESA year.

**Recording Secretary –
Jennyfer Balkema**

Hi! I am so glad to be serving on Jennifer's board this year and I am super excited to take on a position that I have not done before. I have been on and off the board over the years and my first time being on the board was as Collegiate Coordinator when Deana Walters was ISC president! Over the years I have done multiple offices and have enjoyed getting to know many parts of ESA. I started in ESA at Ball State in 1999 and the rest is history! So many great experiences and leadership opportunities. I am the mom to an amazing 9-year-old named Landry and a dog named Hoss as well as some aquarium friends. Landry is my world, and I am so glad that I was given a son – being a boy mom, being a mom is the best (and hardest) job ever! Outside of volunteering, I work for the YMCA part time and am the director for a small non-profit called Camp Watcha-Wanna-Do. CWWD provides a weeklong camp for kids surviving cancer and their siblings free of charge. I am the only employee and do all the things for CWWD – planning camp and other programs, administrative tasks, fundraising and anything else that needs done. It was because of ESA that I found this dream job! I am a runner, love to read (real books I can hold), have found a love for yoga with Covid, love to organize and spend my free time with my friends and family. I look forward to seeing all of you soon!

**Educational Director –
Morgan Nichols**

Hello friends! I'm Morgan Nichols from Eta Pi, Fishers and 2022-2023 is going to be my fifth year in ESA. I hope you all are as excited as me for this upcoming year of the 1920's theme of "Roaring for ESA!" You all are "the cat's pajamas" and I look forward to hearing all about your "bee's knees" educational reports.

The Educational Reporting form is available on the Indiana ESA website. Please remember that educational reports are due to me by the last day of each month except for the May monthly report. The May report is due by the all-important May 15th deadline. If possible, please submit forms via email to inesa.educational@gmail.com. I'm excited for an amazing year with you all!

*Corresponding Secretary –
Megan Gray*

Well...When they said "once a corresponding secretary, always a corresponding secretary" I did not think this is what they meant! Who am I kidding! I am humbled and thrilled to be serving alongside Jennifer this year. I hope you are all ready to ROAR I know I am. As a reminder email blasts will be sent out as requested on the 1st and the 15th of each month. Should you have an event or a piece of urgent information you would like to share with the membership, please email me with all information needed to be shared in the blast.

*Association of the Arts –
Brenda Campbell*

Hello all! I know many of us are still recovering from an awesome IC Convention, but here we are, ready to Roar into another ESA year under the leadership of Jennifer Skinner.

It's not too early to consider entering a project or projects in June. I know that many of you have considerable talent and I Invite you to share your creativity with the ones of us not to artistically inclined.

There are many categories available for your various skills. Don't be a wet blanket and make say Rhatz! Be the bees knees and enter in the fun! Gotta drift!

Awards Chair – Kim Hockaday

Hi, I'm Kim Hockaday and I'm your Awards Chair. I have been in Chi Omicron for around 2 years. I feel like I don't quite have my sea legs since COVID made both of those years "weird." I was invited to ESA by my friend, Megan Gray. I'm looking forward to our first big fundraiser event coming up in September – a Fashion Show! I have my hands full in my personal life as well! I am a Loan Officer and help people finance their new homes and assisting with refinances. I have been doing mortgages since 2003 and was recently offered the opportunity to open a new Nations Lending branch in Central Indiana. I have a husband (Brad), two kids (Izzie and Colin) as well as a super spoiled dog (Rebel). They are my favorite people in the world. In my free time, I enjoy napping, listening to music and going to concerts. I need to incorporate some healthy eating and exercise in there...maybe I'll start next week

Chaplain – Jan Lantz

This year, 2022-2023 is going to be my sixth year as an ESA member and 2nd year serving as State Chaplain. I started out with ESA in Eta Pi, Fishers then moving on to be a part of growth and the new chapter launch in 2020, Chi Omicron. Married 39 years to my husband Jerry. We have raised together to 2 children who both have found their spouse or soul mates for life. We are very excited to be a part of our son's destination wedding in Hawaii this upcoming Spring and sharing in a Disney trip with our 2-year-old, Grandson Hudson, in February. All Chaplain forms are on the Indiana ESA website, but feel free to e-mail me anytime. Please keep me informed of all Happy and Sad news to forward on and share with our Chapter Presidents throughout the year. My heart loves to celebrate the good and support through kind words or thoughts. As one of the speakers at IC said – people want to know people care. I'm here for those who may need a reminder someone is thinking or caring about them. I look forward to hearing from all of you throughout the State of Indiana and seeing you at future conferences and State Conventions 2022-2023 as we are "Roaring through ESA"

Collegiate Coordinators – Lyndsey & Robert Beal

Hello everyone! My name is Lyndsey Beal, I'm 22 years old, married, and have a 6-month-old baby girl. I joined ESA in the fall of 2019 with the collegiate chapter Phi Alpha. I graduated with my bachelor's degree in criminal justice & criminology. I live in Avon with my family and will be the collegiate coordinator this year! I am so excited to hold this role and go back to Ball State in hopes of getting younger members. I have reached out to Kylie, the Phi Alpha president, and I will join them via zoom for their officer meeting. We will be talking about recruitment and rush week. Please let us know if anyone would like to join Robert and me when we visit different college campuses! I think if they see us along with Phi Alpha it could show that this is a group that goes beyond college. Robert recently got a new job and his hours are pretty set but are long. I will be doing most of the traveling with Veronica so we will be on the move this fall.

I am so excited to start this year!

Hopefully, everyone is doing great! This is Robert Beal Jr your Co-Collegiate Coordinator! This year is going to be one for the books! Being recent graduates from Ball State, I feel as though Lyndsey and myself could make a bigger impact by traveling to all the Indiana colleges. Also, we plan on bringing Veronica to all the meetings we possibly can to get her acquainted with her ESA family!

A little more about myself, I will be turning 23 years old this August. Since I am done with school, I've been able to focus more on ESA, work, and family! I can't wait to see what this year brings us!

Easterseals Coordinator – Monica Haddock

Hello, I am Monica Haddock and I will be your Easterseals coordinator for the 22-23 ESA year. I am a part of the Eta Pi, Fishers chapter and have been an ESA member for 10 years. I am excited to learn more and share about Easterseals with the membership this year. Take a look at some Easterseals success stories and get inspired to do big things for the clients and families that use Easterseals' services.

ESA Foundation Chair – Mary Brewer

Greetings across Indiana ESA! My name is Mary Brewer and this will be my 11th year as a member of the Gamma Pi Chapter in Indianapolis. I am honored to serve again as your ESA Foundation Chair for the ISC 2022-2023 year. This is my second year of the 2-year commitment as ESAF Counselor on the ISC Board. I am pleased to share that for the prior year, Indiana won First Place for the Turnaround Funds via ESAF - this is an International Award. Thank you to all Indiana chapters for their participation this past year! Please continue to use the turnaround funds for any upcoming fall events. We also have a new email address for any Indiana ESA Foundation questions - please use this email address: inesa.foundation@gmail.com

Hope everyone is ready to kickoff and roar for the new chapter year - see you at the Fall Conference in October!

LAMP Editor – Serena Williams

Hello ESA family! I am Serena Williams (no, not the famous one) and I'm entering my 3rd year as a member of Chi Omicron Avon. Our chapter is also excited for another year of learning and philanthropy. We are also working on our first big event (scroll to the chapters section for details!) and we are so excited. I'm a proud west sider with a wonderful husband and the cutest dog ever! I enjoy spending my time with those closest to me, laughing and making memories.

I am excited for the opportunity to grow as your LAMP editor for this year. My hope is that each issue is better than the last. The new paper request form is available on the website and is needed to receive the remainder of the 2022-2023 editions of The Lamp.

MARC Reps – Jan Rahn & Pam Vogel

My name is Jan Rahn. I am so excited to be back on the board and serving as a MARC Rep. along with Pam Vogel as we begin a new ESA year "ROARING FOR ESA " under the leadership of Indiana State Council President Jennifer Skinner. It's going to be an exiting year for Indiana ESA. Let me tell you a little bit about myself. I have been married to my husband Dennis for 19 years. He supports me in all of my ESA activities. I have been retired from the Indianapolis Police Department for 17 years. I am a 40 year (Life Active) member of the Gamma Pi Chapter. I am serving this year as the Parliamentarian. I am a Past Indiana State Council President and Past MARC President. I volunteer at St. Jude Catholic Church at their Parish Center answering the phones etc. I am also a Co-Chair of the Mercy Meal Ministry as well as being involved in other ministries in the church. I am Vice President of the Altenheim Ladies Auxiliary which is a Senior Living Facility. My hobbies are Diamond Painting, making cards and latch hook rugs. I bowl in a bowling league during the fall/winter months and I enjoy playing bingo. Pam and I will be raffling off a beautiful Coach purse/billfold donated by Peggy Zimmer, PIP at the MARC Conference to benefit the Indiana MARC Scholarship. We are collecting gift cards to be added to the billfold. If anyone would like to donate a gift card you can bring it to the MARC Conference. If your not attending MARC and would like to donate one you can gift it to a chapter sister who is going to MARC. Thanks in advance for your help with the project. I look forward to seeing many of you at the MARC Conference, October 7 & 8, 2022 in Tulsa, OK. Check out the MARC website www.esamarc.org for additional information.

Senior St. Jude Coordinator – Sue Bigler

Junior St. Jude Coordinator – Laura Campbell

As Sr. St. Jude Coordinator this year, I'd like to thank all of you for your generous contributions so far to the \$50/50 Challenge for St. Jude. Currently Indiana has 35 out of the 50 requested. Let's make this happen for our state!

Laura Campbell and I are working on a fundraiser for this fall and we encourage you to do the same. Stay tuned!

The St. Jude Walk/Run will be held on Saturday, September 24, 2022, at White River State Park, Celebration Plaza. Join our Indiana ESA team and participate in person or virtually. Sign up online to walk, run, volunteer, and of course fundraise.

Let's make this a great year; and as always, we are open to suggestions!

Parliamentarian – Cyndi Murphy

Hi! My name is Cynthia (Cyndi) Murphy. I am celebrating my 6th year as an ESA member. I was recruited into the Eta Pi Fishers chapter by my daughter Megan Gray. I am so grateful to have been invited to be a part of this amazing organization. Not only does it allow me time to spend with my kind, generous & loving daughter, I am also able to make a difference in the lives of others. Two years ago Megan established a new chapter, Chi Omicron Avon, which is my current chapter. Chi Omicron was established the first Wednesday of March 2020. We all know what happened next. Our world shut down, ugh! Fortunately, we have a wonderful group of sisters, and even though we were not able to attend meetings in person or host events in person, we made it through that first year and are working on our first big event which is scheduled to happen in September. I attended my first IC Convention this year and thoroughly enjoyed the experience and hope to attend again in the future. This is also my first time to serve on the IN State Board and am looking forward to learning so much more about ESA. My awesome husband and I celebrated our 12th anniversary this year. Between us we have 4 children. Megan, who is married to Joe, the best son-in-law a parent could ask for. Tucker, my son & his partner of many years, Kristen. My bonus children, twins. Kenzie who recently became engaged to Tanner and they will be married in November 2023. Last but not least Michael. I have 3 AMAZING grandchildren. Keefer, 15, Tanner who will be 12 and McKinley who will be 10 next month. My girls were both the best birthday gifts (my birthday is in September too) I could ever want. In addition, I also have 3 grandpuppies. River (Megan) chocolate lab/springer spaniel mix, who is an old man and I love him to pieces. Miss K (Michael) who is also a chocolate lab but still a puppy and very active and fun. Lorenzo (Kenzie) is a cocker spaniel. I have not had the opportunity to meet him yet but he is so adorably cute.

In March of this year I made a big change in my career. I went part time with my "regular" job so that I could work part time at Grays Hollow, the best gift boutique ever.

My favorite pastimes are time with my grandkids, time with my husband and reading. I dabble in crafting occasionally when inspiration strikes me! This pretty much sums up my life. My wish for you all is that you remain healthy and enjoy this ride with ESA as much as I do.

Webmaster & Scrapbook Chair– Courtney Ginder

Hello Indiana ESA!

I am looking forward to serving another year as your Webmaster, as well as Jennifer's Scrapbook Chair! Both of these offices give me a chance to be creative and share my love of ESA!

On the website, I have made the state officers email addresses that are related to their office, and those are the contact emails listed on the Indiana State Council page. Please use the email addresses to contact your ISC officers! I am also looking into making our forms digital! If it can be created into a Google Form that is submitted to the officer digitally, that will save us paper, hopefully time, and will avoid mix-ups where forms are not updated in a timely manner, as the responses will be sent directly to those new emails I set up. If the form requires something to be mailed, like a check, those will have to stay the way they are, but keep an eye on the Forms page to see which forms have been switched over! For Jennifer's scrapbook, I am looking forward to creating her a beautiful book that fits her theme and showcases her year. Please send me pictures of your chapter throughout the year so that I can make her book. I can get some pictures from social media, but I don't see everything, so please make sure you are sending me pictures periodically!

Finally, please remember to send me your events, pictures, and anything you would like promoted on the website and our Indiana ESA Facebook and Instagram pages! I don't see everything, and I can't promote events I don't know about. Social media can be a great marketing tool for us, and I'd love to share all about what the chapters are doing and what makes Indiana ESA so great. Looking forward to roaring for ESA with you all this year!

*ESA Love and Mine,
Courtney Ginder*

A HUGE THANK YOU TO INDIANA ESA. I WANT YOU TO KNOW THAT IT IS PEOPLE LIKE YOU WHO MAKE ALL THE DIFFERENCE IN THE WORLD AND ESA. EVERYONE STEPPED UP TO THE CHALLENGE OF INDIANA HOSTING THE 2022 INTERNATIONAL CONVENTION.

WE RECEIVED MANY WONDERFUL COMPLIMENTS. NO ONE DOES IT BETTER THAN INDIANA ESA!!!

THANK YOU FOR MAKING INDIANA SHINE.

DENISE HAGERTY AND KAREN MAXEY

Past Indiana Presidents

Congratulations to our Indiana Sisters for hosting a fantastic IC Convention. All of you did a GREAT job!! The PIPS are looking forward to an actual meeting in the Fall. Our Zoom meetings have been good for us. ESA is the best organization full of caring individuals who always do their best!! We wish all Chapters a very successful year. Remember your PIPS are there for you at anytime. ESA Friendship and Love

Avon. Chi Omicron

The members of Chi Omicron are deep in the midst of planning our first big event! On September 30th we will be holding a Wine Tasting Fashion Show for Anna's Celebration of life at Jameson Camp in Indianapolis. Tickets are on sale now and can be

purchased through any Chi Omicron member. We hope that you will join us for a fun evening of wine, fashion, and exclusive shopping.

In between planning for our event on 9/30 we plan to participate in the Indianapolis St. Jude Walk/Run on September 24th and we are organizing our wreath sales for Easter Seals again this winter. Our social chair, Lyndsey, is planning a fun fall social to the apple orchard. We are all thrilled to be able to plan and participate in events such as these.

Recently our chapter grew by 3 members, one reinstatement, and 2 transfers. We are overjoyed to have these members experience and sisterhood as a part of Chi Omicron. We all know its going to be a roaring good year!

Evansville, Delta Sigma

A Big Hi from your Southern Sisters

Delta Sigma is starting the year with our third Yard Sale to be held in September. We have found these sales to be profitable for us. We are going to be selling Cheese Balls again this year. Our association with Easterseals is strong. We worked the Frog Follies in August and will work the Fantasy of Lights in December. It is good to be back having meetings and socials with everyone.

Hope all of our Indiana Sisters have a great year!

Franklin. Delta Kappa

Hello ESA sisters, from Delta Kappa Franklin. We have had a great start to our ESA year and we hope all of you have as well. In June, we installed our officers, including our new president, Pam Kidwell. This year, Pam has given us a theme to get our minds and bodies moving into service with "Learn, Live, Give...Life is a Highway." We are looking forward to answering her call by continuing our work supporting local organizations. We also look forward to sharing our love of learning with each other by teaching one another something new each month for our educationals. We are excited to spend the year learning and growing from each other as we travel the highway to giving with ESA.

ESA Love,

~ Emma Ray ~

Huntington. Beta Chi

It is with much happiness we hope to get it back together and start meeting in September. It has been a rough 2 1/2 years for our chapter members, there are still many health issues to deal with, but we have missed the chance to share what we have with those organizations we love. We may start small, but we know we can be mighty together. Hope to see many of you at Fall Conference!

Indianapolis. Gamma Pi

The Gamma Pi chapter is excited to kick off a new ESA year with Lynn Howley serving as President. The theme for our year is "The Future is Bright in Gamma Pi". We are making plans for our fundraising, social, and educational activities and look forward to an amazing year! We closed our 2021-22 year with an extremely successful Purse Bingo, raising a new record total of \$11,000 for Anna's Celebration of Life! Many of our members attended State Convention and enjoyed celebrating our collective Indiana ESA accomplishments. We congratulate Judy Flannery, who was named Distinguished Athenian, Brandy Small, Indiana Pledge of the Year, and Lynn Howley, 1st Place Chapter President Award. Thank you, Eta Pi, for hosting such an enjoyable weekend! We are immensely proud of the efforts of all Indiana members who helped make International Convention hosting a grand success, but especially of our own Denise Hagerty, Local Convention Chair, and Lynn Howley, Events Chair. Fourteen of our members were able to attend at least part of the Convention and it was a great opportunity to network with Indiana ESA members from across the country and re-connect with our mission and purpose as an organization. Thank you to all who contributed to this great event.

Pleasant Township. Alpha Delta

After long planning meetings and numerous trips to craft stores, we believe the 2022 IC Convention Welcome Party was a success! "Ready, Set, Go!" was a lot of fun to prepare. A special thanks to those Indiana sisters that helped to make the activities fun and decorations ready: Terry Monaghan, Pat Hamby, Karen Urrutia, Elaine Chaney, Jenni Russ, Judy Flannery, Diane Binkerd, Peggy Clegg, and Terry Fowler. We appreciate your support and hope you had a great time as well!

We continue to assist our philanthropic projects for Good News Ministries by helping with their newsletter mailings and Bearing Precious Seed by gathering crayons for children in Mexico. We look forward to some of our upcoming socials like a trip to the Willowfield Lavender Farm, a Murder Mystery Dinner and a Favorite Things party!

With thanks,

Libby Maxey

Seymour. Delta Delta

Delta Delta, Seymour is "Celebrating 40 Years of Delta Delta" this sorority year with President Pam Vogel, Vice President Amy Steitz, Secretary Susan Waltz, and Treasurer Kara Abraham being installed at our April meeting.

Officers after installation at the April meeting: Kara Abraham, Susan Waltz, Pam Vogel, and Amy Steitz

On May 3, we hosted a 40th anniversary celebration that included several current members, past members, Beta Kappa guests Beth & Kayla White, and charter members Marjorie Johnson and Deena Personett.

Over the summer, Pam and Dee Hess attended the State Convention; the chapter served lunch at the Nick Personett Memorial Golf Scramble to benefit Camp Riley on July 12; and Pam, Dee, Susan, and Julia Aker attended the IC Convention.

Pam Vogel, Susan Waltz, Dee Hess, and Julia Aker at IC Convention

Pam Vogel, Susan Waltz, Dee Hess, and Julia Aker at IC Convention

Our first meeting of the year is September 6, and we welcome back former member Paulette Meeks, who has returned from living in Florida where she remained a member of ESA.

We took mum orders and plan to deliver them on September 16. We are looking forward to our \$999 raffle at the Seymour Oktoberfest for the first time since 2019 on September 29, 30, and October 1.

President Pam is also serving as an Indiana State Council MARC Representative, and will be attending the MARC Conference in Tulsa, OK in October. Secretary Susan is serving as the Past Indiana Presidents' Auxiliary President.
