## *A Message from your President, DeOn Cahill*

Greetings from the four walls I have been looking at for the past 7 weeks. I hope everyone is staying safe and sane as we ride out this pandemic. I must admit there have been more than a few times my family would say my sanity was iffy at best.

Hard to believe this will be my last Lamp Article. I don't have a lot to say as I have been sending out the "DeOn's Dispatch" to keep you up to date in between the Lamp Issues. Thank You Cindy for facilitating that process.

I would like to update you on a few things. At this point we are still planning on having our convention in June. I do want to remind you to get your registration in our hands (not postmarked) by May 15th. The level of interest in attending convention will be a large part of our decision to have the convention or not. I know Eta Pi is planning on hosting the best convention ever as we Laissez Les Bon Temps Rouler! Let's stay hopeful that we will see each other soon!

I have heard from a few chapters that are still meeting via Zoom or other social media. This makes me so happy and grateful that we have these tools to still connect and meet. If your chapter is not using a platform to have your meeting but would like to, please reach out to me and we can figure out how to get you started.

Please enjoy this edition of the Lamp and I'm sure all the Board Members are reminding you of the last of the year details. Your Board has worked very hard this year and I am so grateful for all they have done.

We have had a fantastic year. I can't wait to celebrate with all of you at convention as we gather and recognize our accomplishments this year!

Stay safe and see you soon!

DeOn Cahill

**Jr. Past President - Carmen Oswalt**

coswalt47@gmail.com 260-224-0470

My first Indiana State Council position, if I remember correctly, was Chaplain for Debbie Frazier in 2009-2010. The Convention was in Terre Haute when I was installed. The next year when the "Chaplain" was responsible for the Flag Ceremony and everything Sunday morning, the biggest embarrassment of my life occurred. Yep, I forgot half of the flags (they were in my closet-at home) and my equipment failed on Sunday morning. But, for some strange reason I was then asked to served as the ESA Foundation counselor for the next 3 years. And I have been on the Board ever since.

It was certainly not an auspicious beginning, but it has been one of the best experiences of my life to serve ESA, in whatever capacity I was given. I would wish all of you the opportunity that I have been given. I have received many awards, learned things I didn't even know I wanted to learn, but most of all I have made many friendships along the way.

Looking forward to State Convention, where we remember the good that has been done by you, the Indiana ESA, and look forward to all we will do in the future.

This is my last Board Lamp article, but you haven't seen the last of me!

Big shout out to all the members that have volunteered with the events thus far for ACOLF and Camp Riley.

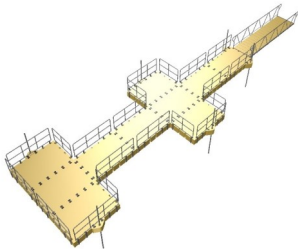

**ACOLF Updates:**

- At this time all ACOLF events have been postponed, including the Clay shoot  
New Date is June 13th, same day as our convention

**Camp Riley Updates:**

- Effective March 30th IU has decided to cancel camp this summer for the safety of the campers and staff.
  - General Camperships can still be donated but will not be used until next year.
  - New fundraising opportunity (will vote at State Convention after State Project Voting)
    - New Fishing Dock needed- the current dock at the camp is falling apart
    - New Dock will cost \$40,000, payments would need to be paid in 2 -year installments
    - Picture of design is to the left
  - Reminder to discuss with your chapter, will vote at State Convention

**Reminders:**

Recommendations for the State Project(s) were due to me by January 1st.

- 4 forms were submitted but only 3 different entries, entries are below:
  - Only support ACOLF
  - Only Camp Riley
  - Continue supporting both ACOLF and Camp Riley
- Reminder to discuss with your chapter, will vote at State Convention.
- **Philanthropic Forms are due to me electronically by May 15th**
  - Please use the excel sheet posted on the website and reach out if you have any questions.
  - Friendly reminder that only the hours, miles, and monies recorded on the excel sheet will count towards awards.
  - Emails with other information cannot be added on by me after submission, so double check all information is recorded correctly.

I hope this finds everybody healthy and safe! I know we have all had to cancel a lot of our fundraisers this spring but if it keeps us all safe it is worth it. I really hope we get to have State Convention so we can all celebrate being together again. I am ready for some ESA HUGS!! Please remember everything is still due by May 15th. Hopefully I will see you all in June.

**Treasurer - Jennifer Skinner**

jenskin125@gmail.com 317-903-4816

FINAL REMINDER! All Disaster Fund, Camp Riley, and Anna's Celebration of Life donations that are made out to ISC-ESA are due to me - postmarked by May 15th. Checks made out to the charity can be sent directly to the charity. Don't forget to record your donations on your philanthropic report. Please let me know if you have any questions!

**Megan Gray - Parliamentarian**

mmbess@gmail.com 317-847-9426

As I come to you one last time this year I would like to again express my gratitude for this position this year. I learned so many new things about ESA and myself. If you haven't heard, we will be voting on 17 proposals at State Convention this year. All proposals can be found in the last issue of the LAMP. Please be sure to discuss each proposal with your chapter, assign your delegates, and decide your vote, for or against, each proposal with your chapter. It is my intention for this process to run as smoothly as possible during convention. Until then, stay safe, stay home, and enjoy the time this quarantine has given you as much as you can.

Greetings Indiana ESA members!

I had a great time at Spring Conference and it was so lovely to see you!!

As I mentioned at conference, I am pretty good at investigating but I'd rather have you volunteer the pictures and memories you have chosen. And with all this time on my hands with social distancing, I can do a lot of social media stalking searching for evidence memories.

So please, please, please wash your hands and send me photos!

I can't wait to see you all when we are allowed to gather in large groups again!

Send what you have to

## Association of the Arts Chair - Sue Bigler

suebigler@gmail.com 317-910-0733

First of all, I hope that you and your loved ones are well and safe! During these unprecedented times we must stay in touch and care for one another.

As I write this we are still a go for State Convention in June as we continue to observe Stay at Home Guidelines. You may have some extra time? Need to get off that couch? It may be the time to perfect that recipe, tweak that artwork, or even create something entirely new and fabulous! Let's keep those creative juices flowing!

I am accepting Association of the Arts applications until May15, either online or by mail. Forms are on the Indiana ESA website. Hoping you all will participate!

Stay well and safe, my friends!

**Educational Director - Jennifer Morris**

jennifer.morris@indy.gov 317-223-9716

Hello! I hope this May edition of the Lamp finds you in good health. The months of March and April certainly were educational. We learned about Social Distancing and how long 20 seconds really is while we learned how to properly wash our hands. We learned who Dr. Fauci is. We learned what is considered an essential service and what isn't. We learned how to work from home and how to video conference with Zoom, Webex, or Google Hangouts just to name a few. How many of us learned how many drawers and closets we can clean out in one day? We learned how to cancel birthday parties, the remainder of a school year, graduation and graduation parties and our own beloved ESA events. I know I will remember this time in my life for a long time to come.

At Spring Conference, I included in the chapter packets a copy of the Gold Seal Award judging criteria. The judging criteria form is also available on the Indiana ESA Web site. I ask that you strongly consider submitting your chapter's educational presentations for the year to be judged at IC Convention in July in Grapevine Texas. You could also plan to join us in Grapevine for the IC Convention.

My email address and telephone number are listed above. If you have any questions please feel free to contact me via email or by telephone.

May you have enough happiness to make you sweet,  
Enough trials to make you strong,  
Enough sorrow to keep you human and  
Enough hope to make you happy.

Hope everyone is surviving this virus that has all confined to our homes. I never thought I would say this but will be glad to get back to school to see all those Middle Schoolers at lunch.

This cooking at home is dangerous for me. First week home I almost set the house on fire cooking supper. Had to call the fire department.

As time draws near for Convention hopefully everything will be settled down and we can all be together for a fun filled weekend.

I have been busy getting the Flag Ceremony ready and have almost finished, just a few more touches on it and it will be ready. Don't forget to send me your chapter member who will be carrying your Chapter Banner in the Flag Ceremony.

For those that have Celebration of Life please get these into me as soon as you can so I can get that service worked up and ready for Sunday morning.

Since most of us were not in church this Easter, lets not forget that He gave his life for us.

**Awards Chair - Aphrodite Hudson**

Happy spring!

It's that time of year when the final deadline is May 15th for everything. That being said, you have just a few days left to get your "What ESA Means to Me" essays in, along with other awards submissions and forms. To date, I've received one entry for the essay category and one entry for the chapter award. To see a full list of awards, and to obtain details and entry forms, please visit the Indiana ESA website. If you have any questions about awards, feel free to call/text me or email me at my contact info above. Also, hard copies were given out at spring conference. I hope you all are doing well, and I look forward to seeing you all at State Convention.

Hello everyone, I hope everyone is safe and adjusting to our new normal. Monica and I are blessed to be your St. Jude Coordinators and appreciate all the events you planned this Sorority Year.

I would like to personally thank all the chapters that have held events for St Jude this year. As always, all monies are due on or before May 15, 2020. Please keep getting the completed forms in to ESA Headquarters so that our report keeps getting updated and our totals continue to grow.

The Evansville Walk/Run has been moved to September 19th and will be at Burdette Park. We were blessed to be able to keep the same location.

I know this year has been full of adjustments and challenges, but I cannot think of a group of people that could meet the challenges better then you have. Though I hate that we had to move and cancel events, I know the staff of St Jude understand and appreciate what we were able to accomplish this year.

Once again please remember to send in your completed forms so I have the most accurate totals I can have. If you don't send it in, I cannot give your chapter credit.

Sending love and prayers from Evansville and hope to see you soon!

## Easter Seals - Judy Flannery

redbrow1112@att.net 317-410-1795

"It was the best of times, it was the worst of times, it was the age of wisdom, it was the age of foolishness, it was the epoch of belief, it was the epoch of incredulity, it was the season of light, it was the season of darkness, it was the spring of hope, it was the winter of despair." A Tale of Two Cities by Charles Dickens

I thought of this quote as I have been contemplating the article for the May LAMP issue. I believe it sums up my feelings to date:

Best of times: generous contributions both monetary and mileage for easterseals. Thank you to all the chapters who contributed and sent me their forms/checks to date.

Worst of times: coronavirus will be a word and condition I will never forget.

Age of wisdom: our ESA sisters and brothers who generously give of their time as they know what good we do.

Age of foolishness: people who do not take health seriously.

Season of light: reading about all the individuals and grass roots groups who have stepped up to help with the pandemic.

Spring of Hope: When we return to "normal" (perhaps a new normal), we will have shown what a resilient people we truly are.

Remember any contributions received after March will count for the end of our state fiscal year but not easterseals budget year. These checks will be counted for the easterseals April 2020 - March 2021 budget year.

If you have any questions/concerns, please contact me. Thank you.

Those of you who are planning on attending International Convention in Grapevine, Texas in July should plan on attending the MARC Meeting held at Convention.

The above picture was taken at the MARC Conference last year. We hope to see many more of our Indiana sisters at the MARC Conference this year.

The 2020 MARC Conference will be held at the Tropicana Evansville on October 9 and 10, 2020. The Conference registration rate is \$150.00 for the full registration, \$125.00 excluding Friday night and must be postmarked by September 11. If you are registering after that date, please see the MARC website for further pricing options. The code for making hotel reservations is "MARC20" with a deadline of September 11.

The room rate is \$99.00 plus tax for Thursday night and \$139.00 plus tax for Friday and Saturday nights. There are smoking and non-smoking rooms. The co-chairs for this Conference are Peggy Zimmer and Mary Houglund. There will be workshops pertaining to Easterseals, Military with PTSD, Karma Collection and It Takes a Village - No Kill Rescue. Those workshops will be held on October 9. The hotel has live entertainment and free valet parking. For those of you who want to experience the fun and excitement of a MARC Conference, this is a good time to do so as it is in our very own State of Indiana. We hope to see everyone there.

Registration form is on Page 23 or on the website.

Hello, Indiana ESA!

I hope that you and your families have stayed healthy and safe during this unprecedented spring!

The website has had, again, more new visitors than returning visitors! Besides the Forms page that is only available to those of us with user accounts, our top pages continue to be our Events calendar, About Indiana ESA: Chapters, and About Indiana ESA: Indiana State Council. This is a great trend that indicates that new people are finding us and checking out who we are and what we do. Facebook also continues to be a great source of traffic to the website as well.

I know that many chapters had to cancel or postpone their events in April due to the COVID-19 pandemic. If you have new dates for those events, please let me know so that I can update the website event page and Facebook posts accordingly. If you are holding virtual fundraisers or events, please let me know about those too! I will do my best to get the word out about your chapter events, no matter how or when they take place.

Please continue to practice social distancing and stay safe at home. The longer we do this, the more likely we will get ahead of this virus so we can enjoy more social time together later. A prayer for our ESA family:

Dear Lord, please continue to keep each and every one of my family and friends, near and far, surrounded by your healing hand. May we each appreciate the time we are spending at home as we disconnect from our fast paced lives. Greetings from Alpha Delta. We are hoping by the time you read this that the pandemic is over and everyone is healthy and stronger for having weathered it. Like most chapters, we have had to postpone some of our planned socials and philanthropic projects but we were able to enjoy Gamma Pi's reverse raffle for Camp Riley and Eta Pi's murder mystery dinner for ACOF. Both were a lot of fun! Congratulations to the Danville and Rockville chapters for a wonderful Spring Conference and thank you to everyone that stopped by our W&M table to purchase dog treats. We are looking forward to our Cinco de Mayo Fiesta, our Awards Celebration Dinner and are hard at work gathering items for our chapter garage sale to be held in May. Planning is under way for a scavenger hunt to benefit the Johnson County Humane Society. We look forward to seeing everyone at Convention where we will Laissez Les Bons Temps Rouler!

## **BETA CHI - Huntington, Carmen Oswalt**

Hello Indiana ESA membership! Just got back from a very informative and fun Spring Conference. Enjoyed seeing everyone that we hadn't seen for months and enjoying the hard work from Danville and Rockville chapters. Went without a hitch and out in perfect time and in the sunshine! Five of us from Beta Chi attended, and except for a couple of nappers we got a lot of talking taken care.

We are wrapping up our Chapter year, getting new officers and starting all of the reports due by May 15th. We are planning one more local fundraiser and 2019-2020 will be in the books.

Hope to see everyone in Noblesville, Laissez les Bon Temps Rouler.

## **CHI OMICRON - Avon, Megan Gray**

Hello members! We are so excited to begin this new chapter. We extend our utmost gratitude to all those that were able to attend our chartering ceremony. Thank you as well for the "good luck bucks" and supporting our ways n means table at Spring conference. We pledged 6 new members and transferred 3 current members to the new chapter. All of us are raring to put forth the ideals of ESA and make a difference, just as soon as this quarantine is over. Many of us are looking forward to celebrating with all of you at State Convention.

## **BETA PHI - Rockville, Debbie Frazier**

Hi Everyone,

Hope everyone is keeping safe and healthy and avoiding the Coronavirus Issue. This is having such an impact on the world. I have the privilege and blessing to be able to work from home and keep my job. I hope many of you are able to do the same.

Beta Phi had to cancel our Annual Bunny Breakfast this year due to the virus. What a sad time, not only for the chapter, but also for all the kids in our community that won't have the joy and fun to attend the breakfast and the Easter Egg Hunt put on by the Rockville Elks.

We don't have any other events coming up at this time. We'll probably be postponing our April meeting, but prayers we'll get to have our May meeting.

We were so glad to see such a good attendance at the Spring Conference. A big thank you to all of you that were able to attend and so sorry and sad for those of you that were not able to attend. We missed you!

I would like to share the following prayer for all our ESA Members & their families.

*With the worldwide outbreak of the coronavirus, we are confronted once more with the fragility of our lives, and again we are reminded of our common humanity; that the peoples of this world are our brothers and sisters, that we are all one family under God.*

*God does not abandon us, he goes with us even now in this time of trial and testing. In this moment, it is important for us to anchor our hearts in the hope that we have in Jesus Christ. Now is the time to intensify our prayers and sacrifices for the love of God and the love of our neighbor. Let us draw closer to one another in our love for him, and rediscover the things that truly matter in our lives.*

*We pray also for doctors, nurses, and caregivers, for public health officials and all civic leaders. May God grant them courage and prudence as they seek to respond to this emergency with compassion and in service to the common good.*

*For those already afflicted, we ask you to obtain the grace of healing and deliverance. Hear the cries of those who are vulnerable and fearful, wipe away their tears and help them to trust.*

*In this time of trial and testing, teach all of us to love one another and to be patient and kind.*

*Help us to bring the peace of Jesus to our land and to our hearts. AMEN!!*

## **ETA PI - Fishers, Kelly Hanson**

In these difficult times, Eta Pi is sticking together from a social distance. We've been checking in with each other and helping keep spirits up. We hope that you are safe and healthy.

Let's start off with some really fun news! Our chapter has a new Eta Pi baby! Courtney Ginder gave birth to Charlotte Grace Ginder on February 27th. She was 7 pounds, 2 ounces and 20" long. And according to Courtney, 100% perfect! We can't wait to meet her.

By the time this Lamp is to print, Monica Haddock will also have a new Eta Pi baby boy! We are a growing family. We wish both of our Eta Pi mom's the best!

Eta Pi hosted a first time event for Anna's Celebration of Life. It was a Mystery Dinner Theater at Serenity Tea Room in Zionsville. The attendance was fantastic, the food was great and the murder mystery was so much fun!

Like many of you, Eta Pi Fishers had to cancel our Easter Egg Project for Easter Seals. However, donations were still made and we reached our goal of \$250. We hope that next year, we can grow this fun project, where kids get to look for candy filled eggs in their front yard.

We have also scheduled our 2020 golf outing. It will be held on Thursday, September 24 at Ironwood Golf Club. If you know of a golfer, please direct them to our website! All money raised will benefit St. Jude Children's Research Hospital.

<http://www.legion470andetapigolfouting.org/>

Eta Pi is also working on making this year's State Convention fun and festive for you! Despite COVID-19 canceling many events, we stay positive that we will be a go in early June. Please register for convention and make your room reservations. A final decision will be made by mid May. If we need to postpone or cancel, all checks will be returned. We look forward to celebrating DeOn's year with you!

Eta Pi has had some really fun socials, including a night at a community theater in Fishers. Plans are in the works to do Zoom sessions to workout together and play games together. Doing it "together" is important for our mental health! We wish you all the best.

Hello everyone! We hope you are staying safe and healthy during these unfortunate times.

Right before everything happened, our ladies put on our Annual Reserve Raffle supporting Camp Riley. It was a fabulous event! We had so many in attendance. Not only did we do the reverse raffle, but our guests enjoyed a spaghetti dinner, homemade desserts, and many fun raffle items. We also attended the ESA Spring Conference in March. Our social chair put on an amazing String Art social for our ladies. They all had a great time.

Gamma Pi sisters are sending you all of our love during these hard times!

## **DELTA KAPPA - Franklin, Emma Ray**

Greetings ESA sisters from Delta Kappa!

I hope everyone is staying healthy and enjoying the spring flowers that have been popping up everywhere. Even in times of turmoil, there is beauty all around us if you just take the time to look. And even though we haven't been able to meet in person, we are checking in on each other and continuing to spread the love of ESA. We are still working on our big philanthropic project thanks to all of the donations that we collected at Spring Conference! So far we have made around 25 blankets for the Linus Project and look forward to making many more. We will still be collecting fleece at State Convention, so if you have any extra fleece (at least 1 1/2 yards), please bring it with you. Thanks in advance.

We are also looking forward to celebrating all of the state's accomplishments at State Convention. It is always such a fun time! We are excited to announce that we nominated Makayla Greeson as our chapter's Women of the Year and are so proud of all that she has done this year. Congrats Makayla!
