Introduction of Chaplain	
Flag Ceremony	Jaycee Peak
Presentation of Chapter banners	
Pledge of Allegiance	
Invocation	
Introduction of the State President	Jennifer Skinner
Declare the First General Assembly in session	Brenda Campbell
Opening Ritual	

Members of Epsilon Sigma Alpha, we meet here again to pledge ourselves anew to the vows we accepted in the golden glow of a candle lighted room. Let us be ever mindful of the responsibilities that we pledged to our organization,

keep faith with ourselves and the other ESA members; be tolerant and sincere, and ever worthy to wear the badge that symbolizes virtue, honor, and truth.

OFFICER REPORTS

Parliamentarian

Jennifer Morris

- Special thank you to my committee: Angie Hamer, Libby Maxey and Dawn Williams.

Addition to Indiana State Council Constitution:

Article 5, Section 4

Madame President I move for the acceptance of the proposed addition to Indiana State Council Constitution Article 5, Section 4

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

- Time for discussion was given

Delegates, are you ready to vote? All those in favor raise your right hand. Those opposed raise your right hand. Motion is...

NO-Approved

YES- Defeated

Addition: Virtual attendance option to be provided to the membership at a reduced registration rate of 1/4 the cost of in person attendance.

Reason: providing a virtual attendance option to the membership for convention is needed now more than ever. We don't know what the future holds with the current COVID virus or any virus for that matter. This is a great way to make sure everyone has the option to be included and stay safe. The reduced cost is needed to pay for any additional technology fees the hosting chapter may have for providing this option and/or for any fees the platform used (example: zoom) charges. If no registration is charged many people could opt for the free option over the in person paid option thus risking the chances of an in-person convention being cancelled due to low attendance numbers.

Addition to Indiana State Council Bylaws:

Article 1, Section 1, Subparagraph a

Addition: Virtual attendance option to be provided to the membership at a reduced registration rate of $\frac{1}{4}$ the cost of in person attendance.

Reason: Providing a virtual attendance option to the membership for conference is needed now more than ever. We don't know what the future holds with the current COVID virus or any virus for that matter. This is a great way to make sure everyone has the option to be included and stay safe. The reduced cost is needed to pay for any additional technology fees the hosting chapter may have for providing this option and/or for any fees the platform used (example: zoom) charges. If no registration is charged many people could opt for the free option over the in person paid option thus risking the chances of an in-person conferences being cancelled due to low attendance numbers.

Addition to Indiana State Council Bylaws:

Article 1, Section 6

Madame President I move for the acceptance of the proposed Addition to Indiana State Council Bylaws:
Article 1, Section 6

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

- Time for discussion was given

Delegates, are you ready to vote? All those in favor raise your right hand. Those opposed same sign.
Motion is...

YES-Approved
NO-Defeated

Addition: The Executive Board and all committee shall be authorized to meet by telephone conference or through other electronic communications media, so long as all members may simultaneously hear each other and participate during the meeting.

Reason: with the up and down of limitations on group meeting numbers, this bylaw addition allows the Executive Board to still conduct essential business of Indiana ESA with no restrictions to their meeting.

This also allows for board members to still be present during meetings at a distance. This wording has been adopted by many professional organizations and is recommended by professional parliamentarians.

Amendment to Indiana State Council Bylaws:

Article 3, Section 4

Madame President I move for the acceptance of the proposed Amendment to Indiana State Council Bylaws Article 3, Section 4

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

Now reads: The Recording Secretary shall keep accurate records of and attendance at all State and Executive Board meetings. Shall submit State meeting minutes for approval to the State President and provide copies to the Indiana State Council Executive Board and ESA Headquarters. Upon request, shall send a copy of State meeting minutes to members of the Past Indiana Presidents' Auxiliary and Indiana State Council Chapter Presidents.

Amended to read: The Recording Secretary shall keep accurate records of and attendance at all State and Executive Board meetings. Shall submit State meeting minutes for approval to the State President and provide copies to the Indiana State Council Executive Board. A copy of State meeting minutes shall be sent, via the email blast, to all other Indiana ESA members.

Reason: The email blast system seems to be an effective way of reaching everyone. Anyone who was unable to attend a state meeting, or missed information while attending a state meeting, will now have access to minutes containing all information presented at the state meeting. Keeping all members informed can help increase moral and participation. ESA Headquarters no longer receives minutes of state meetings.

Amendment to Indiana State Council Bylaws:

Article 7, Section 4

Madame President I move for the acceptance of the proposed Amendment to Indiana State Council Bylaw Article 7, Section 4

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

Now reads: the quorum of the Executive Board shall be eight (8) members.

Amended to read: the quorum of the Executive Board shall be fourteen (14) members.

Reason: The Executive Board used to consist of 14 members before amendments were made at State Convention in 2020. The Executive Board now consists of 22 members and a 2/3 quorum would be 14 members.

Amendment to Indiana State Council Bylaws:

Bylaw Article 9, Section 2

Madame President I move for the acceptance of the proposed Amendment to Indiana State Council Bylaw Article 9, Section 2

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

- Time for discussion was given

Delegates, are you ready to vote? All those in favor raise your right hand. Those opposed same sign. Motion is...

YES-Approved

NO-Defeated

Now reads: each chapter shall pay annual dues to the Indiana State Council in the amount of \$40.00 plus \$10.00 per each active jewel pin member to the Indiana State Treasurer by January 1. Their subscription of THE LAMP shall be paid from these dues. Additional dues for members receiving jewel

pins after January 1 must be paid by May 15th in order to qualify the chapter for additional delegates. **Amended to Read:** Each chapter shall pay annual dues to the Indiana State Council in the amount of \$50.00 plus \$10.00 per each active jewel pin member to the Indiana State Treasurer by January 1. Their subscription of THE LAMP shall be paid from these dues. Additional dues for members receiving jewel pins after January 1 must be paid by May 15th in order to qualify the chapter for additional delegates.

Reason: the state's current outgoing funds are more than the current incoming funds. The state's budget currently has an overage of funds that makes up for that difference. If the state continues to spend funds like it has in the past and adds the expenses incurred from the changes made to the bylaws in 2020, that now have the state paying for more travel and registration expenses for the State President, it will only be a matter of time before we are running at deficit. We need to make up for that deficit somewhere. Increasing the dues by \$10 will bring in an additional \$200+ to help cover expenses and keep the budget "in the black".

**Addition to Indiana State Council Bylaws:
Bylaw Article 17**

Madame President I move for the acceptance of the proposed Addition to Indiana State Council Bylaw Article 17

BRENDA: Coming from a Committee a second is not needed. Is there discussion?

- Time for discussion was given

Delegates, are you ready to vote? All those in favor raise your right hand. Those opposed same sign. Motion is...

YES-Approved
NO-Defeated

Addition: all communications required in these Bylaws, including meeting notices, may be sent electronically.

Reason: The Bylaw addition covers any communication that state board must/should make to the membership allowing them to send it electronically – this covers the LAMP, bylaw changes, important announcements or notices. This wording has been adopted by many professional organizations and is recommended by professional parliamentarians.

Closing Ritual

Eternal Father, Master of all good works, guide and direct us that we may remain steadfast in our hearts and faithful to our pledge. May we be reminded that graciousness, poise, and friendliness are our goals; and as we go our separate ways, to ever hold aloft the ray from the lamp of learning, that those who follow in our footsteps may be guided by its light.
